The following constitutes Amendment No. 10 to the Schedule 13D filed by the undersigned (“Amendment No. 10”). This Amendment No. 10 amends the Schedule 13D as specifically set forth herein.

Item 4. Purpose of Transaction.

Item 4 is hereby amended to add the following:

On April 17, 2024, the Reporting Persons filed a preliminary proxy statement and accompanying GOLD proxy card with the Securities and Exchange Commission to be used to solicit the Issuer’s stockholders (the “Solicitation”) to vote AGAINST with respect to the election of certain members of the Board at the Issuer’s upcoming 2024 annual meeting of stockholders (the “2024 Annual Meeting”).

The Reporting Persons believe there is significant value to be unlocked within the Issuer’s shares and have attempted to constructively engage with the Board both before and after the Issuer’s 2023 annual meeting of stockholders regarding the Reporting Persons’ concerns with the Issuer and ways to unlock stockholder value. The Reporting Persons are particularly concerned with the Issuer’s attempts to transform the Issuer from an ETF business to a decentralized finance (“DeFi”) business over the past several years, which the Reporting Persons believe has resulted in the Issuer’s core ETF business being poorly managed. In addition, the Issuer’s DeFi efforts have been unsuccessful in generating any meaningful market interest and have diverted management’s attention from the Issuer’s principal ETF business, where the Reporting Persons believe the true value of the Issuer lies.

In order to unlock the value within the Issuer’s shares, earlier this year, the Reporting Persons proposed that the Board form a special committee of independent directors with a mandate to consider strategic alternatives including, but not limited to, a sale of part or all of the business and returning capital to stockholders, as well as a significant repositioning of the business, including replacing certain members of the Issuer’s senior leadership team. The Reporting Persons further proposed that the special committee retain a recognized tier-one investment bank along with independent counsel to assist with this review of strategic alternatives. However, the Board and the Issuer appear to have no interest in pursuing these proposals.

Accordingly, the Reporting Persons believe that the Issuer’s stockholders must send a strong message to the Board at the 2024 Annual Meeting that they do not approve of the Issuer’s current trajectory and that the Board must take the necessary steps for the Issuer’s stockholders to realize the maximum value of their investments. To that end, the Reporting Persons have determined to commence the Solicitation to solicit votes from the Issuer’s stockholders to vote AGAINST with respect to the election of certain members of the Board at the 2024 Annual Meeting.
