INDIVIDUAL INVESTOR GROUP, INC.

PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD JUNE 18, 1997

This Proxy Statement and the enclosed form of proxy are furnished in connection with solicitation of proxies by the Board of Directors of Individual Investor Group, Inc. ("Company") to be used at the Annual Meeting of Stockholders of the Company to be held on June 18, 1997, and any postponement(s) or adjournment(s) thereof ("Annual Meeting"). The matters to be considered at the Annual Meeting are set forth in the attached Notice of Annual Meeting.

The proxy will be voted (or withheld from voting) in accordance with any specifications made. Where no specifications are indicated, the proxies will vote "FOR" the nominees for director, as described below under Proposal 1, "FOR" the proposal to amend the Company's Certificate of Incorporation to increase the number of authorized shares of Common Stock and Preferred Stock as described below under Proposal 2, "FOR" the proposal to approve and adopt the 1996 Management Incentive Plan as described below under Proposal 3 and, in the discretion of the proxyholders, on any other business properly coming before the

meeting and any postponement(s) or adjournment(s) thereof. A proxy may be revoked by giving notice to the Secretary of the Company in person, or by written notification actually received by the Secretary, at any time prior to its being exercised.

The Company's executive offices are located at 1633 Broadway, 38th Floor, New York, New York 10019. This Proxy Statement and the enclosed form of proxy are first being sent to stockholders on or about May 7, 1997.

VOTING SECURITIES

The Board of Directors has fixed the close of business on April 23, 1997, as the record date for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting. Only stockholders of record at the close of business on that date will be entitled to vote at the Annual Meeting or any and all postponement(s) or adjournment(s) thereof. As of April 23, 1997, the Company had issued and outstanding 6,161,869 shares of Common Stock, the Company's only class of voting securities outstanding. Each stockholder of the Company will be entitled to one vote for each share of Common Stock registered in his name on the record date. The presence, in person or by proxy, of a majority of all of the outstanding shares of Common Stock constitutes a quorum at the Annual Meeting. Proxies relating to "street name" shares that are returned to the Company but marked by brokers as "not voted" will be treated as shares present for purposes of determining the presence of a quorum on all matters but will not be treated as shares entitled to vote on the matter as to which authority to vote is withheld by the broker ("broker non-votes").

The election of directors requires a plurality vote of those shares of Common Stock voted at the Annual Meeting with respect to the election of directors. "Plurality" means that the individuals who receive the largest number of votes cast "FOR" are elected as directors. Consequently, any shares of Common Stock not voted "FOR" a particular nominee (whether as a result of a direction to withhold authority or a broker non-vote) will not be counted in such nominee's favor.

The approval of the amendment to the Certificate of Incorporation must be approved by the affirmative vote of a majority of the shares of Common Stock outstanding and entitled to vote. Abstentions as to this matter are considered present and entitled to vote on the matter and, therefore, have the same effect as a vote against the proposal. Shares of Common Stock deemed present at the Annual Meeting, but not entitled to vote on the amendment to the Certificate of Incorporation (because of either shareholder withholding or broker non-vote) will have the effect of a negative vote because this proposal requires the affirmative vote of a majority of the outstanding shares of Common Stock.

All other matters to be voted on, including the approval of the 1997 Management Incentive Plan, will be decided by the affirmative vote of a majority of the shares of Common Stock present or represented at the Annual Meeting and entitled to vote. On any such matter, an abstention will have the same effect as a negative vote, but because shares of Common Stock held by brokers will not be considered entitled to vote on matters as to which the brokers withhold authority, a broker non-vote will have no effect on the vote.

The following table sets forth certain information as of April 23, 1997, with respect to the Common Stock ownership of (i) those persons or groups known to beneficially own more than 5% of the Company's voting securities, (ii) each director and director-nominee of the Company, (iii) each executive officer whose compensation exceeded \$100,000 in the 1996 fiscal year, and (iv) all directors and executive officers of the Company as a group.

Director Compensation

Directors receive no cash compensation for their services to the Company as directors, but are reimbursed for all reasonable costs incurred in attending meetings of the Board of Directors. Pursuant to the 1996 Plan, directors who are not employees of the Company receive automatic grants of stock options upon their election or appointment as a director and upon each re-election as a director. Each stock option is for 30,000 shares of Common Stock and vests at

5

the rate of 10,000 shares of Common Stock per year after an equal period of service, and once vested, remain exercisable until the tenth anniversary of the date of grant. Each option is exercisable per share at the market price per share on the date of grant. Notwithstanding the foregoing, if the director eligible for an award of a stock option is re-elected as a director and has not yet served as a director of the Company for a term of three full years, the award of the stock option will be modified as follows: (A) the number of shares of Common Stock that may be acquired under the stock option will be reduced to (1) 20,000 shares of Common Stock if the director has served as a director more than two years, but less than three years, (2) 10,000 shares of Common Stock if the director has served as a director more than one year, but less than two years, and (3) if the director has served less than one year as a director, no stock option will be awarded; and (B) the stock option will be exercisable by the director as to 10,000 shares of Common Stock on each of the second and third anniversaries of his re-election or re-appointment as a director if the stock option represents the right to acquire 20,000 shares of Common Stock and the stock option will be exercisable by the director as to 10,000 shares of Common Stock on the third anniversary of his re-election or re-appointment as a director if the stock option represents the right to acquire 10,000 shares of Common Stock.

Mr. Peter M. Ziemba was granted an option during 1996 to acquire 30,000 shares of Common Stock at \$10.50 per share, vesting at the rate of 10,000 shares of Common Stock on June 19, 1997, 1998 and 1999, exercisable until June 19, 2006.

Compliance with Section 16(a) of the Exchange Act

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's officers, directors and persons who beneficially own more than ten percent of a registered class of the Company's equity securities ("ten-percent stockholders") to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and ten-percent stockholders also are required to furnish the Company with copies of all Section 16(a) forms they file. Based solely on its review of the copies of such forms furnished to it, and written representations that no other reports were required, the Company believes that during the Company's fiscal year ended December 31, 1996, all its officers, directors and ten-percent stockholders complied with the Section 16(a) reporting requirements.

In September 1991, the Company adopted the 1991 Plan covering 200,000 shares of the Company's Common Stock pursuant to which officers, directors, and key employees of the Company are eligible to receive incentive or non-qualified stock options. The 1991 Plan, which expires in October 2001, is administered by the Stock Option Committee of the Board of Directors pursuant to the powers delegated to it by the Board of Directors. To the extent permitted under the express provisions of the 1991 Plan, the Stock Option Committee has authority to determine the selection of participants, allotment of shares, price, and other conditions of purchase of options and administration of the 1991 Plan in order to attract and retain persons instrumental to the success of the Company. There are options outstanding under the 1991 Plan for 182,000 shares of Common Stock, and options for 9,000 shares of Common Stock have been exercised.

1993 Plan

In February 1993, the Company adopted the 1993 Plan covering 500,000

shares of the Company's Common Stock pursuant to which officers, directors, key employees and consultants of the Company are eligible to receive incentive or non-qualified stock options, stock appreciation rights, restricted stock awards, deferred stock, stock reload options and other stock based awards. The 1993 Plan will terminate at such time no further awards may be granted and awards granted are no longer outstanding, provided that incentive options may only be granted until February 16, 2003. The 1993 Plan is administered by the Stock Option Committee pursuant to the powers delegated to it by the Board of Directors. To the extent permitted under the provisions of the 1993 Plan, the Stock Option Committee has authority to determine the selection of participants, allotment of shares, price, and other conditions of purchase of awards and administration of the 1993 Plan in order to attract and retain persons instrumental to the success of the Company. There are options outstanding under the 1993 Plan for 427,501 shares of Common Stock, and options for 40,560 shares have been exercised

1996 Plan

In 1996, the Company adopted the 1996 Plan covering 1,000,000 shares of the Company's Common Stock pursuant to which officers, directors, key employees and consultants of the Company are eligible to receive incentive or non-qualified stock options, stock appreciation rights, restricted stock awards, deferred stock, stock reload options and other stock based awards. The 1996 Plan will terminate at such time no further awards may be granted and awards granted are no longer outstanding, provided that incentive options may only be granted until March 18, 2006. The 1996 Plan is administered by the Stock Option Committee pursuant to the powers delegated to it by the Board of Directors. To the extent permitted under the provisions of the 1996 Plan, the Stock Option Committee has authority to determine the selection of participants, allotment of shares, price, and other conditions of purchase of awards and administration of the 1996 Plan in order to attract and retain persons instrumental to the success of the Company. There are options outstanding under the 1996 Plan for 285,100 shares of Common Stock.

Management Plan

In November 1996, the Company adopted the 1996 Management Incentive Plan covering 500,000 shares of the Company's Common Stock, pursuant to which executives of the Company or its subsidiaries are eligible to receive grants of various awards. See Proposal 3 for a discussion of the 1996 Management Incentive Plan and Appendix B for a copy of this plan.

PROPOSAL 2: TO APPROVE THE AMENDMENT TO THE CERTIFICATE OF INCORPORATION

General

The Company is currently authorized by its Certificate of Incorporation to issue 10,000,000 shares of Common Stock and 1,000,000 shares of Preferred Stock. The original Certificate of Incorporation provided authorization to issue 2,000,000 shares of Preferred Stock, of which 1,000,000 shares of Preferred Stock were designated as the Convertible Voting Preferred Stock on December 4, 1991, which were subsequently converted into Common Stock and retired. As of the record date, 6,161,869 shares of Common Stock were outstanding and no shares of Preferred Stock were designated and outstanding, and the Company was obligated to reserve 3,926,603 shares of Common Stock for issuance under the 1991 Plan, 1993 Plan, 1996 Plan and 1996 Management Incentive Plan and upon exercise of other outstanding options. As further discussed herein, the Board of Directors believes that the current number of authorized shares of Common Stock is inadequate for the long term growth and development of the Company. Accordingly, the Board of Directors proposes to amend the Certificate of Incorporation to increase the authorized number of shares of Common Stock by an additional 8,000,000 shares of Common Stock to 18,000,000 shares of Common Stock and to increase the authorized number of shares of Preferred Stock by an additional 1,000,000 shares of Preferred Stock to 2,000,000 shares of Preferred Stock.

The Board of Directors has unanimously approved the proposal to amend the Certificate of Incorporation. As of the record date, the Company's directors and executive officers owned of record 933,010 shares of Common Stock, representing approximately 15% of the shares of Common Stock entitled to vote at the Annual Meeting. Each of the directors and executive officers own options to purchase shares of Common Stock as set forth below and are eligible to receive grants of options and/or equity based awards under the various employee equity award plans and their employment arrangements or otherwise acquire securities of the Company. See "Voting Securities". The Company's directors and executive officers have advised the Company that they will vote their shares of Common Stock in favor of the proposal.

Name	Number of Shares of Common Stock Subject to Outstanding Options
-----	-----
Jonathan L. Steinberg	680,000
Robert H. Schmidt	560,000
Scot A. Rosenblum	395,663
Bruce Sokoloff	30,000
Peter M. Ziemba	30,000
Other officers as a group (1 person)	30,000

Reason for the Proposal

The Company currently has issued and outstanding 6,161,869 shares of Common Stock and is obligated to reserve 3,926,603 shares of Common Stock for issuance under the 1991 Plan, 1993 Plan, 1996 Plan and 1996 Management Incentive Plan and upon exercise of other outstanding options. Based on the number of shares of Common Stock outstanding as of the record date, the need to reserve shares of Common Stock as set forth above and the current Certificate of Incorporation limit of 10,000,000 shares of Common Stock, the Board of Directors does not believe there is an adequate number of authorized shares of Common Stock under the Certificate of Incorporation for management to be able to meet current obligations of the Company and to plan for the future growth and development of the Company.

The Board of Directors believes approval of the amendment to the Certificate of Incorporation is in the best interest of the Company and its stockholders. The authorization of additional shares of Common Stock will enable the Company to meet its obligations under the various employee benefit plans, employment arrangements and outstanding options and issue options, awards and warrants in the future. In addition, the proposed amendment will give the Board of Directors flexibility to authorize the issuance of shares of Common Stock and Preferred Stock in the future for financing the Company's business, for acquiring other businesses, for forming strategic partnerships and alliances, for stock dividends and stock splits, and for director and employee benefit plans.

Approval of the proposal will permit the Board of Directors to issue additional shares of Common Stock and Preferred Stock without further approval of the stockholders of the Company; and the Board of Directors does not intend to seek stockholder approval prior to any issuance of the authorized capital stock unless stockholder approval is required by applicable law, the Certificate of Incorporation or stock market or exchange requirements. Although the Company may from time to time review various transactions that could result in the issuance of Common Stock or Preferred Stock and management of the Company currently is exploring the possibility of raising additional equity financing by issuing Common Stock or Preferred Stock, which may occur in the near future, the Board of Directors is not considering any proposals to issue additional shares of capital stock, except as may be required in connection with the exercise of existing outstanding options and other stock based awards which may be issued under the Company's 1991 Plan, 1993 Plan, 1996 Plan or 1996 Management Incentive Plan or under any other plan or arrangement the Board of Directors may hereafter approve.

The additional flexibility described above afforded to the Board of Directors by their ability to issue shares of Common Stock and Preferred Stock

could be used to discourage an unsolicited takeover proposal which the Board of Directors believes is not in the best interest of the stockholders. For example, shares of Common Stock or Preferred Stock could be privately placed with purchasers who may support the Board of Directors in opposing a hostile takeover bid. Although the Board of Directors is required to make any determination to issue securities based on its judgment as to the best interests of the stockholders of the Company, the Board of Directors could act in a manner that would discourage an acquisition attempt or other transaction that some, or a majority, of the stockholders nevertheless might believe to be in their best interests or in which stockholders might receive a premium for their stock over the then market price of their stock. In addition, the issuance of such shares might make it more difficult or discourage attempts to remove incumbent management. Moreover, the issuance of such shares might have a dilutive effect on earnings per share and on the voting rights of the existing stockholders.

Description of Securities

Common Stock

The holders of Common Stock of the Company are entitled to one vote for each share held of record on all matters to be voted on by the stockholders of the Company. There is no cumulative voting with respect to the election of directors, with the result that the holders of more than 50% of the shares of Common Stock of the Company voted in an election of directors can elect the directors of the Company. The holders of Common Stock are entitled to receive dividends when, as, and if declared by the Board of Directors out of funds legally available therefor. The Company never has paid dividends on its shares of Common Stock. In the event of liquidation, dissolution or winding up of the Company, the holders of the shares of Common Stock are entitled to share ratably in all assets remaining available for distribution

8

to them after payment of liabilities and after provision has been made for each class of stock, if any, having preference over the Common Stock. Holders of shares of Common Stock have no conversion, preemptive or other subscription rights, and there are no redemption provisions applicable to the Common Stock.

Preferred Stock

The Company is authorized to issue Preferred Stock with such designations, rights and preferences as may be determined from time to time by the Board of Directors. Accordingly, the Board of Directors is empowered, without stockholder approval, to issue Preferred Stock with dividend, liquidation, conversion, voting or other rights that could affect adversely the voting power of other rights of the holders of the Common Stock. The Company does not have any Preferred Stock outstanding.

If the proposal to amend the Certificate of Incorporation is approved, the fourth article of the Certificate of Incorporation will be amended as set forth in Appendix A to this Proxy Statement. The financial statements, management's discussion and analysis of financial condition and results of operations and related information is incorporated by reference from the Company's Annual Report to Shareholders for the fiscal year ended December 31, 1996.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE APPROVAL
OF THE PROPOSAL TO AMEND THE COMPANY'S CERTIFICATE OF INCORPORATION

PROPOSAL 3: APPROVAL OF 1996 MANAGEMENT INCENTIVE PLAN

On November 4, 1996, the Board of Directors unanimously adopted the 1996 Management Incentive Plan ("Management Plan"), subject to stockholder approval. The Management Plan provides for the grant of options to executive officers of the Company and its subsidiaries to purchase up to 500,000 shares of Common Stock. The Management Plan is intended to assist the Company and its subsidiaries in attracting, retaining and motivating executives of particular

merit.

Although the Company believes that all material provisions of the Management Plan have been set forth in this Proxy Statement, this summary does not discuss all the elements of the Management Plan and is qualified in its entirety by reference to the text of the Management Plan, a copy of which is attached to this Proxy Statement as Appendix B and is incorporated herein by reference.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A
VOTE "FOR" THE APPROVAL OF THE MANAGEMENT PLAN

Summary of the Management Plan

Administration

The Management Plan will be administered by the Board of Directors or by a committee ("Committee") appointed by the Board of Directors, whose members will serve at the pleasure of the Board of Directors. If no Committee is so designated, then the Management Plan will be administered by the Board of Directors. The Board of Directors or, if appointed, Committee, has full authority, subject to the provisions of the Management Plan, to award (i) Stock Options, (ii) Stock Appreciation Rights, (iii) Restricted Stock, (iv) Deferred Stock, (v) Stock Reload Options and/or (vi) other stock-based awards (collectively, "Awards").

Subject to the provisions of the Management Plan, the Board of Directors or the Committee determines, among other things, the executive officers to whom from time to time Awards may be granted ("Holders"), the specific type of Awards to be granted (e.g., Stock Option, Restricted Stock, etc.), the number of shares subject to each Award, share prices, any restrictions or limitations on such Awards and any vesting, exchange, deferral, surrender, cancellation,

9

acceleration, termination, exercise or forfeiture provisions related to such Awards. The interpretation and construction by the Board of Directors or the Committee of any provisions of, and the determination of any questions arising under, the Management Plan or any rule or regulation established by the Board of Directors or the Committee pursuant to the Management Plan will be final, conclusive and binding on all persons interested in the Management Plan.

Shares Subject to the Plan; General Terms

The Management Plan authorizes the granting of Awards the exercise of which would allow up to an aggregate of 500,000 of the Company's Common Stock to be acquired by the Holders of said Awards. In order to prevent the dilution or enlargement of the rights of Holders under the Management Plan, the number of the Company's Common Stock authorized by the Management Plan is subject to adjustment by the Board of Directors in the event of any increase or decrease in the number of shares of outstanding Common Stock resulting from a stock dividend, stock split, reverse stock split or change in the par value affecting the Company's Common Stock. If any Award granted under the Management Plan is forfeited or terminated, the Company's Common Stock that was available pursuant to such Award will again be available for distribution in connection with Awards subsequently granted under the Management Plan.

Any equity security granted pursuant to the Management Plan must be held for six months from the date of grant or in the case of an option, at least six months must elapse from the date of acquisition of the option to the date of disposition of the option (other than upon exercise or conversion) or its underlying equity security.

Eligibility

Subject to the provisions of the Management Plan, Awards may be granted to executive officers who are deemed to have rendered or to be able to render

significant services to the Company or its subsidiaries and are deemed to have contributed or to have the potential to contribute to the success of the Company. Incentive Options (as hereinafter defined) may be awarded only to persons who, at the time of such awards, are employees of the Company or its subsidiaries.

Types of Awards

Options

The Management Plan provides both for "incentive stock options" ("Incentive Options") as defined in Section 422 of the Code, and for options not qualifying as Incentive Options ("Non-qualified Options"), both of which may be granted with any other stock-based award under the Management Plan. The Board of Directors or the Committee will determine the exercise price per share of Common Stock purchasable under an Incentive or Non-qualified Option (collectively, "Options"). The exercise price of a Non-qualified Option may be less than 100% of the fair market value on the last trading day before the date of the grant. The exercise price of an Incentive Option may not be less than 100% of the fair market value on the last trading day before the date of grant (or in the case of an Incentive Option granted to a person possessing at the time of grant more than 10% of the total combined voting power of all classes of stock of the Company, not less than 110% of such fair market value).

The Board of Directors or the Committee determines when Options are to be granted and when they may be exercised. However, an Incentive Option may only be granted within a ten-year period commencing on November 4, 1996 and may only be exercised within ten years of the date of the grant (or within five years in the case of an Incentive Option granted to a person who, at the time of the grant, owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or of its parent or any subsidiary). Subject to any limitations or conditions of the Management Plan and any the Board of Directors or the Committee may impose, Options may be exercised, in whole or in part, during the term of the Option by giving written notice of exercise to the Company specifying the number of the Company's Common Stock to be purchased. Such notice must be accompanied by payment in full of the purchase price, either in cash or in securities of the Company, or in combination thereof. Options granted under the Management Plan are exercisable only by the Holder during his or her lifetime. The Options granted under the Management Plan may not be transferred other than by will or by the laws of descent and distribution.

Generally, if the Holder received an option as an employee of the Company or a subsidiary, no Option, or any portion thereof, granted under the Management Plan may be exercised by the Holder unless he or she is employed by the

Company or a subsidiary of the Company at the time of the exercise and has been so employed continuously from the time the Option was granted. However, in the event the Holder's employment with the Company is terminated due to disability, the Option will be fully vested and the Holder may still exercise his or her Option for a period of one year (or such other lesser period as the Board of Directors or the Committee may specify at the time of grant) from the date of such termination or until the expiration of the stated term of the Option, whichever period is shorter. Similarly, should a Holder die while in the employment of the Company or a subsidiary, the Option will be fully vested on the date of death and his or her legal representative or legatee under his or her will may exercise the decedent Holder's Option for a period of one year from death (or such other greater or lesser period as the Board of Directors or the Committee specifies at the time of grant) or until the expiration of the stated term of the Option, whichever is shorter. Further, if the Holder's employment is terminated without cause or due to normal retirement (upon attaining the age of 65), then the portion of any Option that has vested by the date of such retirement or termination may be exercised for the lesser of three months after retirement or the balance of the Option's term.

Stock Appreciation Rights

The Board of Directors or the Committee may grant Stock Appreciation Rights ("SARs" or singularly "SAR") in conjunction with all or part of any Option granted under the Management Plan or may grant SARs on a free-standing basis. In conjunction with Non-qualified Options, SARs may be granted either at or after the time of the grant of such Non-qualified Options. In conjunction with Incentive Options, SARs may be granted only at the time of the grant of such Incentive Options. An SAR entitles the Holder thereof to receive an amount (payable in cash and/or the Common Stock, as determined by the Board of Directors or the Committee) equal to the excess fair market value of one share of Common Stock over the SAR price or the exercise price of the related Option, multiplied by the number of shares subject to the SAR.

Restricted Stock Awards

The Board of Directors or the Committee may award shares of Restricted Stock either alone or in addition to other Awards granted under the Management Plan. The Board of Directors or the Committee shall determine the restricted period during which the shares of stock may be forfeited if, for example, the Holder's employment with the Company is terminated. In order to enforce the forfeiture provisions, the Management Plan requires that all shares of Restricted Stock awarded to the Holder remain in the physical custody of the Company until the restrictions on such shares have terminated.

Deferred Stock

The Board of Directors or the Committee may award shares of Deferred Stock either alone or in addition to other Awards granted under the Management Plan. The Board of Directors or the Committee shall determine the deferral period during which time the receipt of the stock is deferred. The Award may specify, for example, that the Holder must remain employed by the Company during the entire deferral period in order to be issued the stock.

Stock Reload Options

A Stock Reload Option permits a Holder who exercises an Option by delivering already owned stock (i.e., the stock-for-stock method) to receive back from the Company a new Option (at the current market price) for the same number of shares delivered to exercise the Option, which new Option may not be exercised until one year after it was granted and expires on the date the original Option would have expired (had it not been previously exercised). The Board of Directors or the Committee may grant Stock Reload Options in conjunction with any Option granted under the Management Plan. In conjunction with Incentive Options, Stock Reload Options may be granted only at the time of the grant of such Incentive Option. In conjunction with Non-qualified Options, Stock Reload Options may be granted either at or after the time of the grant of such Non-qualified Options.

Other Stock-Based Awards

The Board of Directors or the Committee may grant performance shares and shares of stock valued with reference to the performance of the Company, either alone or in addition to or in tandem with Stock Options, Restricted

Stock or Deferred Stock. Subject to the terms of the Management Plan, the Board of Directors or the Committee has complete discretion to determine the terms and conditions applicable to any such stock-based awards. Such terms and conditions may require, among other things, continued employment and/or the attainment of specified performance objectives.

Withholding Taxes

Upon the exercise of any Award granted under the Management Plan, the Holder may be required to remit to the Company an amount sufficient to satisfy all Federal, state and local withholding tax requirements prior to delivery of any certificate or certificates for the Common Stock. Subject to certain stringent limitations under the Management Plan and at the discretion of the Company, the Holder may satisfy these requirements by electing to have the

Company withhold a portion of the shares to be received upon the exercise of the Award having a value equal to the amount of the withholding tax due under applicable federal, state and local laws.

Agreements

Options, Restricted Stock, Deferred Stock, and SARs and other stock-based awards granted under the Management Plan will be evidenced by agreements consistent with the Management Plan in such form as the Board of Directors or the Committee may prescribe. Neither the Management Plan nor agreements thereunder confer any right to continued employment upon any Holder.

Term and Termination of the Management Plan

The Management Plan was effective as of November 4, 1996 ("Effective Date"), subject to approval by the stockholders of the Company within one year after the Effective Date. Any Awards granted under the Management Plan prior to such approval shall be effective when made (unless otherwise specified by the Committee at the time of grant). If the Management Plan is not approved by stockholders, all Awards granted thereunder shall be deemed options not granted under any plan. To the extent any such options were Incentive Options, these will be treated as Non-qualified Options. Unless terminated by the Board of Directors, the Management Plan shall continue to remain effective until such time as no further Awards may be granted and all Awards granted under the Management Plan are no longer outstanding. Notwithstanding the foregoing, grants of Incentive Options may only be made during the ten-year period following the Effective Date.

Amendments to the Plan

The Board of Directors may at any time, and from time to time, amend, alter, suspend or discontinue any of the provisions of the Management Plan, but no amendment, alteration, suspension or discontinuance shall be made that would impair the rights of a Holder of any Award theretofore granted, without his or her consent.

Federal Income Tax Consequences

The following discussion of the federal income tax consequences of participation in the Management Plan is only a summary of the general rules applicable to the grant and exercise of stock options and does not purport to give specific details on every variable and does not cover, among other things, state, local and foreign tax treatment of participation in the Management Plan. The information is based on present law and regulations, which are subject to being changed prospectively or retroactively.

Incentive Options

The Holder will recognize no taxable income and the Company will not qualify for any deduction upon the grant or exercise of an Incentive Option. Upon a disposition of the shares underlying the Incentive Option after the later of two years from the date of grant or one year after the issuance of the shares to the Holder, the Holder will recognize the difference, if any, between the amount realized and the exercise price as long-term capital gain or long-term capital loss (as the case may be) if the shares are capital assets. The excess, if any, of the fair market value of the shares on the date of exercise of an Incentive Option over the exercise price will be treated as an item of adjustment in computing the

alternative minimum tax for a Holder's taxable year in which the exercise occurs and may result in an alternative minimum tax liability for the Holder. If the Common Stock acquired upon the exercise of an Incentive Option are disposed of before expiration of the necessary holding period of two years from the date of the grant of the Incentive Option and one year after the exercise of the Incentive Option, (i) the Holder will recognize ordinary compensation income in the taxable year of disposition in an amount equal to the excess, if any, of the lesser of the fair market value of the shares on the date of exercise or the

amount realized on the disposition of the shares, over the exercise price paid for such shares; and (ii) the Company will qualify for a deduction equal to any such amount recognized, subject to the limitation that the compensation be reasonable. The Holder will recognize the excess, if any, of the amount realized over the fair market value of the shares on the date of exercise, if the shares are capital assets, as short-term or long-term capital gain, depending on the length of time that the Holder held the shares, and the Company will not qualify for a deduction with respect to such excess. In the case of a disposition of shares in the same taxable year as the exercise of the Incentive Option, where the amount realized on the disposition is less than the fair market value of the shares on the date of exercise, there will be no adjustment since the amount treated as an item of adjustment, for alternative minimum tax purposes, is limited to the excess of the amount realized on such disposition over the exercise price, which is the same amount included in regular taxable income.

Non-qualified Options

With respect to Non-qualified Options (i) upon grant, the Holder will recognize no income; (ii) upon exercise (if the Common Stock are not subject to a substantial risk of forfeiture), the Holder will recognize ordinary compensation income in an amount equal to the excess, if any, of the fair market value of the shares on the date of exercise over the exercise price, and the Company will qualify for a deduction in the same amount, subject to the requirement that the compensation be reasonable; and (iii) the Company will be required to comply with applicable Federal income tax withholding requirements with respect to the amount of ordinary compensation income recognized by the Holder. On a disposition of the shares, the Holder will recognize gain or loss equal to the difference between the amount realized and the sum of the exercise price and the ordinary compensation income recognized. Such gain or loss will be treated as capital gain or loss if the shares are capital assets and as short-term or long-term capital gain or loss, depending upon the length of time that the Holder held the shares.

If the shares acquired upon exercise of a Non-qualified Option are subject to a substantial risk of forfeiture, the Holder will recognize income at the time when the substantial risk of forfeiture is removed and the Company will qualify for a corresponding deduction at such time.

INDEPENDENT ACCOUNTANTS

The Company has selected Deloitte & Touche LLP as its independent accountants for the year ending December 31, 1997. A representative of Deloitte & Touche LLP is expected to be present at the meeting with an opportunity to make a statement if the representative desires to do so and is expected to be available to respond to appropriate questions from stockholders.

SOLICITATION OF PROXIES

The solicitation of proxies in the enclosed form is made on behalf of the Company and the cost of this solicitation is being paid by the Company. In addition to the use of the mails, proxies may be solicited personally or by telephone or telegraph using the services of directors, officers and regular employees of the Company at nominal cost. Banks, brokerage firms and other custodians, nominees and fiduciaries will be reimbursed by the Company for expenses incurred in sending proxy material to beneficial owners of the Common Stock.

(e) to permit a Holder to elect to defer a payment under the Plan under such rules and procedures as the Committee may establish, including the crediting of interest on deferred amounts denominated in cash and of dividend equivalents on deferred amounts denominated in Stock;

2.3 Interpretation of Plan.

(a) Committee Authority. Subject to Section 11, below, the Committee shall have the authority to adopt, alter and repeal such administrative rules, guidelines and practices governing the Plan as it shall, from time to time, deem advisable, to interpret the terms and provisions of the Plan and any award issued under the Plan (and to determine the form and substance of all Agreements relating thereto), and to otherwise supervise the administration of the Plan. (b) Incentive Stock Options. Anything in the Plan to the contrary notwithstanding, no term or provision of the Plan relating to Incentive Stock Options (including but limited to Stock Reload Options or Stock Appreciation rights granted in conjunction with an Incentive Stock Option) or any Agreement providing for Incentive Stock Options shall be interpreted, amended or altered, nor shall any discretion or authority granted under the Plan be so exercised, so as to disqualify the Plan under Section 422 of the Code, or, without the consent of the Holder(s) affected, to disqualify any Incentive Stock Option under such Section 422.

Section 3. Stock Subject to Plan.

3.1 Number of Shares. The total number of shares of Common Stock reserved and available for distribution under the Plan shall be 500,000 shares. Shares of Stock under the Plan may consist, in whole or in part, of authorized and unissued shares or treasury shares. If any shares of Stock that have been granted pursuant to a Stock Option cease to be subject to a Stock Option, or if any shares of Stock that are subject to any Stock Appreciation Right, Restricted

Stock, Deferred Stock award, Reload Stock Option or Other Stock-Based Award granted hereunder are forfeited, or any such award otherwise terminates without a payment being made to the Holder in the form of Stock, such shares shall again be available for distribution in connection with future grants and awards under the Plan. Only net shares issued upon a stock-for-stock exercise (including stock used for withholding taxes) shall be counted against the number of shares available under the Plan.

3.2 Adjustment Upon Changes in Capitalization, Etc. In the event of any change in the number of outstanding shares of Common Stock of the Company occurring as the result of a stock split, reverse stock split or stock dividend on the Common Stock, after the grant of an Award, the Company shall proportionately adjust the number of shares of Stock subject to the Award and the price to be paid on exercise of an Award as well as the aggregate number of shares reserved for issuance under the Plan. Any right to acquire a fractional share of Stock resulting from any adjustments will be rounded to the nearest whole share of Stock. If the Company shall be the surviving corporation in any merger, combination or consolidation, any outstanding Award shall pertain and apply to the shares of Stock to which the Holder is entitled, without adjustment for issuance by the Company of any securities in the merger, combination or consolidation. In the event of a change in the par value of the Common Stock of the Company which is subject to any outstanding Award, such Award will be deemed to pertain to the shares of Stock resulting from any such change. To the extent that the foregoing adjustments relate to the Common Stock of the Company, the adjustments will be made by the Committee whose determination will be final, binding and conclusive.

Section 4. Eligibility.

4.1 General. Awards may be made or granted to executive officers of the Company and its subsidiaries as selected by the Committee who are deemed to have rendered or to be able to render significant services to the Company or its Subsidiaries and who are deemed to have contributed or to have the potential to contribute to the success of the Company. No Incentive Stock Option shall be granted to any person who is not an employee of the Company or a Subsidiary at the time of grant.

Section 5. Required Six Month Holding Period.

A period of not less than six months must elapse from the date of grant of an award under the Plan, before any disposition by a Holder of a derivative security (as defined in Rule 16a-1 promulgated under the Securities Exchange Act of 1934, as amended) issued under this Plan or before any disposition by a Holder of any Stock purchased or granted pursuant to an award under this Plan.

Section 6. Stock Options.

6.1 Grant and Exercise. Stock Options granted under the Plan may be of two types: (i) Incentive Stock Options and (ii) Nonqualified Stock Options. Any Stock Option granted under the Plan shall contain such terms, not inconsistent with this Plan, or with respect to Incentive Stock Options, not inconsistent with the Code, as the Committee may from time to time approve. The Committee shall have the authority to grant Incentive Stock Options, Non-Qualified Stock Options, or both types of Stock Options and which may be granted alone or in addition to other awards granted under the Plan. To the extent that any Stock Option intended to qualify as an Incentive Stock Option does not so qualify, it shall constitute a separate Nonqualified Stock Option. An Incentive Stock Option may be granted only within the ten-year period commencing from the Effective Date and may only be exercised within ten years of the date of grant (or five years in the case of an Incentive Stock Option granted to an optionee ("10% Stockholder") who, at the time of grant, owns Stock possessing more than 10% of the total combined voting power of all classes of stock of the Company.

6.2 Terms and Conditions. Stock Options granted under the Plan shall be subject to the following terms and conditions:

(a) Exercise Price. The exercise price per share of Stock purchasable under a Stock Option shall be determined by the Committee at the time of grant and may be less than 100% of the Fair Market Value of the Stock as defined above; provided, however, that the exercise price of an Incentive Stock Option shall not be less than 100% of the Fair Market Value of the Stock if granted to a person other than a 10% Stockholder and, if granted to a 10% Stockholder, the exercise price shall not be less than 110% of the Fair Market Value of the Stock.

(b) Option Term. Subject to the limitations in Section 6.1, above, the term of each Stock Option shall be fixed by the Committee.

(c) Exercisability. Stock Options shall be exercisable at such time or times, and subject to such terms and conditions as shall be determined by the Committee. If the Committee provides, in its discretion, that any Stock Option is exercisable only in installments, i.e., that it vests over time, the Committee may waive such installment exercise provisions at any time at or after the time of grant in whole or in part, based upon such factors as the Committee shall determine.

(d) Method of Exercise. Subject to whatever installment, exercise and waiting period provisions are applicable in a particular case, Stock Options may be exercised in whole or in part at any time during the term of the Option, by giving written notice of exercise to the Company specifying the number of shares of Stock to be purchased. Such notice shall be accompanied by payment in full of the purchase price, which shall be in cash or, unless otherwise provided in the Agreement, in shares of Stock (including Restricted Stock and other contingent awards under this Plan) or, partly in cash and partly in such Stock, or such other means which the Committee determines are consistent with the Plan's purpose and applicable law. Cash payments shall be made by wire transfer, certified or bank check or personal check, in each case payable to the order of the Company; provided, however, that the Company shall not be required to deliver certificates for shares of Stock with respect to which an Option is exercised until the Company has confirmed the receipt of good and available funds in payment of the purchase price thereof. Payments in the form of Stock shall be valued at the Fair Market Value of a share of Stock on the date prior to the date of exercise. Such payments shall be made by delivery of stock certificates in negotiable form which are effective to transfer good and valid title thereto to the Company, free of any liens or encumbrances. Subject to the terms of the Agreement, the Committee may, in its sole discretion, at the request of the Holder, deliver upon the exercise of a Nonqualified Stock Option a combination of shares of Deferred Stock and Common Stock; provided that, notwithstanding the provisions of Section 9 of the Plan, such Deferred Stock shall be fully vested and not subject to forfeiture. A Holder shall have none of the rights of a stockholder with respect to the shares subject to the Option until such shares shall be transferred to the Holder upon the exercise of the Option.

(e) Transferability. Except as may be set forth in the Agreement, no Stock Option shall be transferable by the Holder other than by will or by the laws of descent and distribution, and all Stock Options shall be exercisable, during the Holder's lifetime, only by the Holder.

(f) Termination by Reason of Death. If a Holder's employment by the Company or a Subsidiary terminates by reason of death, any Stock Option held by such Holder, unless otherwise determined by the Committee at the time of grant and set forth in the Agreement, shall be fully vested and may thereafter be exercised by the legal representative of the estate or by the legatee of the Holder under the will of the Holder, for a period of one year (or such other greater or lesser period as the Committee may specify at grant) from the date of such death or until the expiration of the stated term of such Stock Option, whichever period is the shorter.

(g) Termination by Reason of Disability. If a Holder's employment by the Company or any Subsidiary terminates by reason of Disability, any Stock Option held by such Holder, unless otherwise determined by the Committee at the time of grant and set forth in the Agreement, shall be fully vested and may thereafter be exercised by the Holder for a period of one year (or such other greater or lesser period as the Committee may

specify at the time of grant) from the date of such termination of employment or until the expiration of the stated term of such Stock Option, whichever period is the shorter.

(h) Other Termination. Subject to the provisions of Section 13.3, below, and unless otherwise determined by the Committee at the time of grant and set forth in the Agreement, if a Holder is an employee of the Company or a Subsidiary at the time of grant and if such Holder's employment by the Company or any Subsidiary terminates for any reason other than death or Disability, the Stock Option shall thereupon automatically terminate, except that if the Holder's employment is terminated by the Company or a Subsidiary without cause or due to Normal Retirement, then the portion of such Stock Option which has vested on the date of termination of employment may be exercised for the lesser of three months after termination of employment or the balance of such Stock Option's term.

(i) Additional Incentive Stock Option Limitation. In the case of an Incentive Stock Option, the aggregate Fair Market Value of Stock (determined at the time of grant of the Option) with respect to which Incentive Stock Options become exercisable by a Holder during any calendar year (under all such plans of the Company and its Parent and Subsidiary) shall not exceed \$100,000.

(j) Buyout and Settlement Provisions. The Committee may at any time, in its sole discretion, offer to buy out a Stock Option previously granted, based upon such terms and conditions as the Committee shall establish and communicate to the Holder at the time that such offer is made.

(k) Stock Option Agreement. Each grant of a Stock Option shall be confirmed by, and shall be subject to the terms of, the Agreement executed by the Company and the Holder.

6.3 Stock Reload Option. The Committee may also grant to the Holder (concurrently with the grant of an Incentive Stock Option and at or after the time of grant in the case of a Nonqualified Stock Option) a Stock Reload Option up to the amount of shares of Stock held by the Holder for at least six months and used to pay all or part of the exercise price of an Option and, if any, withheld by the Company as payment for withholding taxes. Such Stock Reload Option shall have an exercise price equal to the Fair Market Value as of the date of the Stock Reload Option grant. Unless the Committee determines otherwise, a Stock Reload Option may be exercised commencing one year after it is granted and shall expire on the date of expiration of the Option to which the Reload Option is related.

Section 7. Stock Appreciation Rights.

7.1 Grant and Exercise. The Committee may grant Stock Appreciation Rights to participants who have been, or are being granted, Options under the Plan as a means of allowing such participants to exercise their Options without the need to pay the exercise price in cash. In the case of a Nonqualified Stock Option, a Stock Appreciation Right may be granted either at or after the time of the grant of such Nonqualified Stock Option. In the case of an Incentive Stock Option, a Stock Appreciation Right may be granted only at the time of the grant of such Incentive Stock Option.

7.2 Terms and Conditions. Stock Appreciation Rights shall be subject to the following terms and conditions:

(a) Exercisability. Stock Appreciation Rights shall be exercisable as shall be determined by the Committee and set forth in the Agreement, subject to the limitations, if any, imposed by the Code, with respect to related Incentive Stock Options.

(b) Termination. A Stock Appreciation Right shall terminate and shall no longer be exercisable upon the termination or exercise of the related Stock Option.

(c) Method of Exercise. Stock Appreciation Rights shall be exercisable upon such terms and conditions as shall be determined by the Committee and set forth in the Agreement and by surrendering the

applicable portion of the related Stock Option. Upon such exercise and surrender, the Holder shall be entitled to receive a number of Option Shares equal to the SAR Value divided by the Fair Market Value (on the exercise date).

(d) Shares Affected Upon Plan. The granting of a Stock Appreciation Right shall not affect the number of shares of Stock available for awards under the Plan. The number of shares available for awards under the Plan will, however, be reduced by the number of shares of Stock acquirable upon exercise of the Stock Option to which such Stock Appreciation Right relates.

Section 8. Restricted Stock.

8.1 Grant. Shares of Restricted Stock may be awarded either alone or in addition to other awards granted under the Plan. The Committee shall determine the eligible persons to whom, and the time or times at which, grants of Restricted Stock will be awarded, the number of shares to be awarded, the price (if any) to be paid by the Holder, the time or times within which such awards may be subject to forfeiture (the "Restriction Period"), the vesting schedule and rights to acceleration thereof, and all other terms and conditions of the awards.

8.2 Terms and Conditions. Each Restricted Stock award shall be subject to the following terms and conditions:

(a) Certificates. Restricted Stock, when issued, will be represented by a stock certificate or certificates registered in the name of the Holder to whom such Restricted Stock shall have been awarded. During the Restriction Period, certificates representing the Restricted Stock and any securities constituting Retained Distributions (as defined below) shall bear a legend to the effect that ownership of the Restricted Stock (and such Retained Distributions), and the enjoyment of all rights appurtenant thereto, are subject to the restrictions, terms and conditions provided in the Plan and the Agreement. Such certificates shall be deposited by the Holder with the Company, together with stock powers or other instruments of assignment, each endorsed in blank, which will permit transfer to the Company of all or any portion of the Restricted Stock and any securities constituting Retained Distributions that shall be forfeited or that shall not become vested in accordance with the Plan and the Agreement.

(b) Rights of Holder. Restricted Stock shall constitute issued and outstanding shares of Common Stock for all corporate purposes. The Holder will have the right to vote such Restricted Stock, to receive and retain all regular cash dividends and other cash equivalent distributions as the Board may in its sole discretion designate, pay or distribute on such Restricted Stock and to exercise all other rights, powers and privileges of a holder of Common Stock with respect to such Restricted Stock, with the exceptions that (i) the Holder will not be entitled to delivery of the stock certificate or certificates representing such Restricted Stock until the Restriction Period shall have expired and unless all other vesting requirements with respect thereto shall have been fulfilled; (ii) the Company will retain custody of the stock certificate or certificates representing the Restricted Stock during the Restriction Period; (iii) other than regular cash dividends and other cash equivalent distributions as the Board may in its sole discretion designate, pay or distribute, the Company will retain custody of all distributions ("Retained Distributions") made or declared with respect to the Restricted Stock (and such Retained Distributions will be subject to the same restrictions, terms and conditions as are applicable to the Restricted Stock) until such time, if ever, as the Restricted Stock with respect to which such Retained Distributions shall have been made, paid or declared shall have become vested and with respect to which the Restriction Period shall have expired; (iv) a breach of any of the restrictions, terms or conditions contained in this Plan or the Agreement or otherwise established by the Committee with respect to any Restricted Stock or Retained Distributions will cause a forfeiture of such Restricted Stock and any Retained Distributions with respect thereto.

(c) Vesting; Forfeiture. Upon the expiration of the Restriction Period with respect to each award of Restricted Stock and the satisfaction of any other applicable restrictions, terms and conditions (i) all or part of such Restricted Stock shall become vested in accordance with the terms of the Agreement, and (ii) any Retained Distributions with respect to such Restricted Stock shall become vested to the extent that the Restricted Stock related thereto shall have become vested. Any such Restricted Stock and Retained Distributions that do not

vest shall be forfeited to the Company and the Holder shall not thereafter have any rights with respect to such Restricted Stock and Retained Distributions that shall have been so forfeited.

Section 9. Deferred Stock.

9.1 Grant. Shares of Deferred Stock may be awarded either alone or in addition to other awards granted under the Plan. The Committee shall determine the eligible persons to whom, and the time or times at which, grants of Deferred Stock will be awarded, the number of shares of Deferred Stock to be awarded to any person, the duration of the period (the "Deferral Period") during which, and the conditions under which, receipt of the shares will be deferred, and all the other terms and conditions of the awards.

9.2 Terms and Conditions. Each Deferred Stock award shall be subject to the following terms and conditions:

(a) Certificates. At the expiration of the Deferral Period (or the Additional Deferral Period referred to in Section 9.2 (d) below, where applicable), share certificates shall be issued and delivered to the Holder, or his legal representative, representing the number equal to the shares covered by the Deferred Stock award.

(b) Rights of Holder. A person entitled to receive Deferred Stock shall not have any rights of a stockholder by virtue of such award until the expiration of the applicable Deferral Period and the issuance and delivery of the certificates representing such Stock. The shares of Stock issuable upon expiration of the Deferral Period shall not be deemed outstanding by the Company until the expiration of such Deferral Period and the issuance and delivery of such Stock to the Holder.

(c) Vesting; Forfeiture. Upon the expiration of the Deferral Period with respect to each award of Deferred Stock and the satisfaction of any other applicable restrictions, terms and conditions all or part of such Deferred Stock shall become vested in accordance with the terms of the Agreement. Any such Deferred Stock that does not vest shall be forfeited to the Company and the Holder shall not thereafter have any rights with respect to such Deferred Stock.

(d) Additional Deferral Period. A Holder may request to, and the Committee may at any time, defer the receipt of an award (or an installment of an award) for an additional specified period or until a specified event (the "Additional Deferral Period"). Subject to any exceptions adopted by the Committee, such request must generally be made at least one year prior to expiration of the Deferral Period for such Deferred Stock award (or such installment).

Section 10. Other Stock-Based Awards.

10.1 Grant and Exercise. Other Stock-Based Awards may be awarded, subject to limitations under applicable law, that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on, or related to, shares of Common Stock, as deemed by the Committee to be consistent with the purposes of the Plan, including, without limitation, purchase rights, shares of Common Stock awarded which are not subject to any restrictions or conditions, convertible or exchangeable debentures, or other rights convertible into shares of Common Stock and awards valued by reference to the value of securities of or the performance of specified Subsidiaries. Other Stock-Based Awards may be awarded either alone or in addition to or in tandem with any other awards under this Plan or any other plan of the Company.

10.2 Eligibility for Other Stock-Based Awards. The Committee shall determine the eligible persons to whom and the time or times at which grants of such other stock-based awards shall be made, the number of shares of Common Stock to be awarded pursuant to such awards, and all other terms and conditions of the awards.

10.3 Terms and Conditions. Each Other Stock-Based Award shall be subject to such terms and conditions as may be determined by the Committee.

Section 11. Amendment and Termination.

The Board may at any time, and from time to time, amend alter, suspend or discontinue any of the provisions of the Plan, but no amendment, alteration, suspension or discontinuance shall be made which would impair the rights of a Holder under any Agreement theretofore entered into hereunder, without the Holder's consent.

Section 12. Term of Plan.

12.1 Effective Date. The Plan shall be effective as of November 4, 1996 ("Effective Date"), subject to the approval of the Plan by the Company's stockholders within one year after the Effective Date. Any awards granted under the Plan prior to such approval shall be effective when made (unless otherwise specified by the Committee at the time of grant), but shall be conditioned upon, and subject to, such approval of the Plan by the Company's stockholders and no awards shall vest or otherwise become free of restrictions prior to such approval.

12.2 Termination Date. Unless terminated by the Board, this Plan shall continue to remain effective until such time no further awards may be granted and all awards granted under the Plan are no longer outstanding. Notwithstanding the foregoing, grants of Incentive Stock Options may only be made during the ten year period following the Effective Date.

Section 13. General Provisions.

13.1 Written Agreements. Each award granted under the Plan shall be confirmed by, and shall be subject to the terms of the Agreement executed by the Company and the Holder. The Committee may terminate any award made under the Plan if the Agreement relating thereto is not executed and returned to the Company within ten days after the Agreement has been delivered to the Holder for his or her execution.

13.2 Unfunded Status of Plan. The Plan is intended to constitute an "unfunded" plan for incentive and deferred compensation. With respect to any payments not yet made to a Holder by the Company, nothing contained herein shall give any such Holder any rights that are greater than those of a general creditor of the Company.

13.3 Employees.

(a) Engaging in Competition With the Company. In the event a Holder's employment with the Company or a Subsidiary is terminated for any reason whatsoever, and within eighteen months after the date thereof such Holder accepts employment with any competitor of, or otherwise engages in competition with, the Company, the Committee, in its sole discretion, may require such Holder to return to the Company the economic value of any award which was realized or obtained by such Holder at any time during the period beginning on that date which is six months prior to the date of such Holder's termination of employment with the Company.

(b) Termination for Cause. The Committee may, in the event a Holder's employment with the Company or a Subsidiary is terminated for cause, annul any award granted under this Plan to such employee and, in such event, the Committee, in its sole discretion, may require such Holder to return to the Company the economic value of any award which was realized or obtained by such Holder at any time during the period beginning on that date which is six months prior to the date of such Holder's termination of employment with the Company.

(c) No Right of Employment. Nothing contained in the Plan or in any award hereunder shall be deemed to confer upon any Holder who is an employee of the Company or any Subsidiary any right to continued employment with the Company or any Subsidiary, nor shall it interfere in any way with the right of the Company or any Subsidiary to terminate the employment of any Holder who is an employee at any time.

13.4 Investment Representations. The Committee may require each person acquiring shares of Stock pursuant to a Stock Option or other award under the Plan to represent to and agree with the Company in writing that the Holder is acquiring the shares for investment without a view to distribution thereof.

13.5 Additional Incentive Arrangements. Nothing contained in the Plan shall prevent the Board from adopting such other or additional incentive arrangements as it may deem desirable, including, but not limited to, the granting of Stock Options and the awarding of stock and cash otherwise than under the Plan; and such arrangements may be either generally applicable or applicable only in specific cases.

13.6 Withholding Taxes. Not later than the date as of which an amount must first be included in the gross income of the Holder for Federal income tax purposes with respect to any option or other award under the Plan, the Holder shall pay to the Company, or make arrangements satisfactory to the Committee regarding the payment of, any Federal, state and local taxes of any kind required by law to be withheld or paid with respect to such amount. If permitted by the Committee, tax withholding or payment obligations may be settled with Common Stock, including Common Stock that is part of the award that gives rise to the withholding requirement. The obligations of the Company under the Plan shall be conditioned upon such payment or arrangements and the Company or the Holder's employer (if not the Company) shall, to the extent permitted by law, have the right to deduct any such taxes from any payment of any kind otherwise due to the Holder from the Company or any Subsidiary.

13.7 Governing Law. The Plan and all awards made and actions taken thereunder shall be governed by and construed in accordance with the laws of the State of New York (without regard to choice of law provisions).

13.8 Other Benefit Plans. Any award granted under the Plan shall not be deemed compensation for purposes of computing benefits under any retirement plan of the Company or any Subsidiary and shall not affect any benefits under any other benefit plan now or subsequently in effect under which the availability or amount of benefits is related to the level of compensation (unless required by specific reference in any such other plan to awards under this Plan).

13.9 Non-Transferability. Except as otherwise expressly provided in the Plan or the Agreement, no right or benefit under the Plan may be alienated, sold, assigned, hypothecated, pledged, exchanged, transferred, encumbered or charged, and any attempt to alienate, sell, assign, hypothecate, pledge, exchange, transfer, encumber or charge the same shall be void.

13.10 Applicable Laws. The obligations of the Company with respect to all Stock Options and awards under the Plan shall be subject to (i) all applicable laws, rules and regulations and such approvals by any governmental agencies as may be required, including, without limitation, the Securities Act of 1933, as amended, and (ii) the rules and regulations of any securities exchange on which the Stock may be listed.

13.11 Conflicts. If any of the terms or provisions of the Plan or an Agreement (with respect to Incentive Stock Options) conflict with the requirements of Section 422 of the Code, then such terms or provisions shall be deemed inoperative to the extent they so conflict with the requirements of said Section 422 of the Code. Additionally, if this Plan or any Agreement does not contain any provision required to be included herein under Section 422 of the Code, such provision shall be deemed to be incorporated herein and therein with the same force and effect as if such provision had been set out at length herein and therein. If any of the terms or provisions of any Agreement conflict with any terms or provision of the Plan, then such terms or provisions shall be deemed inoperative to the extent they so conflict with the requirements of the Plan. Additionally, if any Agreement does not contain any provision required to be included therein under the Plan, such provision shall be deemed to be incorporated therein with the same force and effect as if such provision had been set out at length therein.

13.12 Non-Registered Stock. The shares of Stock to be distributed under this Plan have not been, as of the Effective Date, registered under the Securities Act of 1933, as amended, or any applicable state or foreign securities laws and the Company has no obligation to any Holder to register the Stock or to assist the Holder in obtaining an exemption from the various

registration requirements, or to list the Stock on a national securities exchange.
