Item 2. Acquisition or Disposition of Assets

On June 2, 1999, Registrant, Kirlin Holding Corp. ("Kirlin") and VentureHighway.com Inc. ("VentureHighway"), a wholly-owned subsidiary of Kirlin, entered into an agreement ("Agreement") pursuant to which Registrant acquired 2,484 newly-issued shares of common stock of VentureHighway, representing 19.9% of the then-outstanding shares of common stock (the other 80.1% of which continue to be held by Kirlin). The purchase price was \$3.184 million, which is payable in the form of advertising for VentureHighway.com in Registrant's magazines, such as Individual Investor and Ticker, and on Registrant's websites, such as iionline.com, during the next 30 months.

VentureHighway owns and operates VentureHighway.com, a branded website designed to serve as an interactive portal for the matching of companies seeking funding with qualified investors seeking to fund such companies, and the facilitation of private placements and public offerings of securities of companies.

In connection with the aforementioned transaction, Registrant and Kirlin also entered into a securities purchase agreement ("Securities Purchase Agreement") pursuant to which Registrant acquired 150,000 shares ("Investor Shares") of common stock of Kirlin for \$750,000, representing 4.9% of the then-outstanding shares of common stock. The purchase price was paid from Registrant's working capital. Kirlin contributed all the proceeds of this sale to the capital of VentureHighway. Kirlin is obligated to file a registration statement registering the resale of the Investor Shares under the Securities Act of 1933 on or prior to August 2, 1999 and to use its best efforts to cause the registration statement to become effective as soon as practicable thereafter.

Kirlin (Nasdaq: KILN) is a holding company engaged in securities brokerage, securities trading and merchant banking activities through its primary operating subsidiary, Kirlin Securities, Inc. Kirlin Securities is a full service, retail oriented brokerage firm and is a member of the NASD.

VentureHighway, Registrant and Kirlin also entered into a stockholders agreement ("Stockholder Agreement") with respect to Registrant's and Kirlin's

respective ownership of VentureHighway. Until the occurrence of certain events, Registrant shall have the right to designate one member of VentureHighway's board of directors. The Stockholder Agreement also places certain restrictions on, and rights with respect to, the sale of shares of VentureHighway stock by Registrant and Kirlin.

If VentureHighway.com does not provide users with certain capabilities and if VentureHighway (either directly or through a subsidiary) does not obtain registration as a broker-dealer prior to December 31, 1999, Registrant may elect to terminate the Agreement. In the event Registrant so elects to terminate the Agreement, Registrant shall return all of the equity of VentureHighway owned by it to VentureHighway without further consideration. Also, in such event, Registrant shall have the right to require Kirlin to purchase all the Investor Shares then owned by Registrant. The amount payable by Kirlin to Registrant in connection with any repurchase shall be equal to (i) \$750,000 less (ii) amounts realized by Registrant (and any affiliates to whom it transferred shares) on all sales of Investor Shares prior thereto (with interest added to the amounts in clauses (i) and (ii) at an interest rate of 10% per annum).

Peter M. Ziemba, a director of Registrant, is a partner in the law firm Graubard Mollen & Miller, which is general counsel to Kirlin and VentureHighway.

AGREEMENT

This AGREEMENT ("Agreement") is made as of the 2nd day of June, 1999, by and among KIRLIN HOLDING CORP., a Delaware corporation ("Kirlin"), INDIVIDUAL INVESTOR GROUP, INC., a Delaware corporation, ("INDI"), and VENTUREHIGHWAY.COM

INC., a New York corporation ("Company").

WHEREAS, the Company has created, owns and will operate a branded website called "VentureHighway.com" (the "Site"), the primary focus, principal theme and format of which shall be to serve as an interactive portal for one or more of the following activities: (a) the matching of companies seeking funding with qualified investors seeking to fund such companies ("Online Matching Services"), (b) the facilitation of private placements of securities of companies to qualified investors ("Online Private Placement Services"), and (c) the facilitation of public offerings of securities of companies (the operation of such a website (or site available on a proprietary online service) being referred to herein as the "Business");

WHEREAS, in connection with the expansion, launch and marketing of the Business, Kirlin and INDI have contributed and/or desire to contribute cash, assets and other consideration to the Company in exchange for equity ownership in the Company as provided in this Agreement; and

WHEREAS, Kirlin, INDI and the Company desire to set forth certain representations, warranties and covenants with respect to each other and certain covenants and parameters with respect to the management, operation and marketing of the Business.

NOW, THEREFORE, in consideration of the premises and mutual agreements herein and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties hereto agree as follows:

ARTICLE I

KIRLIN AND INDI EQUITY INTERESTS IN VENTUREHIGHWAY AND EXECUTION OF OTHER AGREEMENTS

Section 1.1 Kirlin Equity Interest. The Company has previously sold to Kirlin 10,000 shares ("Kirlin Shares") of the common stock, no par value, of the Company ("Common Stock") for nominal consideration. As further consideration for the Kirlin Shares, Kirlin is concurrently herewith

contributing to the capital of the Company the sum of \$750,000 together with all amounts owed by the Company to Kirlin for goods and services provided up to the date hereof (such contributions by Kirlin being referred to herein as the "Kirlin Contribution)."

Section 1.2 INDI Equity Interest. In consideration for the "INDI Contribution" as defined and described in Article II below, the Company is hereby selling to INDI 2,484 shares of Common Stock ("INDI Shares"). Upon issuance, the INDI Shares shall represent 19.9% of the outstanding capital stock of the Company and the Kirlin Shares shall represent 80.1% of the outstanding capital stock of the Company. The terms "Kirlin Shares" and "INDI Shares" shall each be deemed to include any additional shares of Common Stock acquired by the owner thereof.

Section 1.3 Delivery of Certificates. Concurrently with the execution of this Agreement, the Company shall deliver to INDI a certificate representing the INDI Shares. Kirlin acknowledges its previous receipt of a certificate representing the Kirlin Shares. Both certificates shall bear the following legends:

THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED ("ACT"), OR APPLICABLE STATE SECURITIES LAWS AND MAY NOT BE SOLD, OFFERED FOR SALE, PLEDGED OR HYPOTHECATED IN THE ABSENCE OF A REGISTRATION STATEMENT IN EFFECT WITH RESPECT TO THE SECURITIES UNDER THE ACT OR AN OPINION OF COUNSEL REASONABLY SATISFACTORY TO THE COMPANY THAT SUCH REGISTRATION IS NOT REQUIRED OR UNLESS SOLD PURSUANT TO RULE 144 PROMULGATED UNDER THE ACT.

THE SECURITIES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO THE TERMS OF A STOCKHOLDER AGREEMENT BETWEEN KIRLIN HOLDING CORP., INDIVIDUAL INVESTOR GROUP, INC. AND THE COMPANY, DATED AS OF THE 2ND DAY OF JUNE, 1999, A COPY OF WHICH IS ON FILE AT THE OFFICES OF THE COMPANY.

Section 1.4 Other Agreements. Concurrently with the execution and delivery of this Agreement, (a) the Company, INDI and Kirlin are each executing and delivering the Stockholder Agreement, dated as of the date hereof ("Stockholder Agreement"), (b) Kirlin and the Company are each executing and delivering the Management Services Agreement, dated as of the date hereof ("Management Services Agreement"), and (c) Kirlin and INDI are each executing

and delivering the Securities Purchase Agreement, dated as of the date hereof ("Securities Purchase Agreement").

2

ARTICLE II
INDI CONTRIBUTION

Section 2.1 INDI Contribution. In consideration for the INDI Shares, during the 30- month period ("Promotion Period") beginning on the Media Start Date (which date shall be a date mutually agreed upon by Kirilin and INDI, but in no event later than July 1, 1999, INDI shall provide the Company with Promotions (as defined in Section 2.2 below). The Promotions delivered during the Promotion Period shall have an aggregate value (as described in Section 2.3 below) of \$3,184,000. The provision by INDI to the Company of the Promotions pursuant to this Article II is referred to herein as the "INDI Contribution."

Section 2.2 Definition of "Promotions." "Promotions" shall mean the placement of advertising relating to the Site, the Business or the Company in media made available by INDI for purchase to advertisers for cash in the ordinary course of INDI's business, including (a) in print medium magazines published by INDI, such as Individual Investor and Ticker ("Print Advertising"), and (b) on websites owned or controlled by INDI, such as Individual Investor Online (www.iionline.com), using advertising buttons of various dimensions typically sold by INDI (e.g., typically ranging in size from 120 x 60 pixels to 468 x 60 pixels) and on any other publications that INDI may distribute via electronic means (such as electronic mail), using advertising in the form typically sold by INDI for such publications ("Online Advertising").

Section 2.3 Valuation of Promotions Delivered. Print Advertising shall be scheduled monthly by the parties and shall be valued at the prices set forth on INDI's applicable 1999 rate cards (copies of which have been delivered to the Company and Kirilin) for 24-page purchases (e.g., a full-page, four-color ad in Individual Investor shall be valued at \$31,080 and a full-page, four-color ad in Ticker shall be valued at \$9,874). Online Advertising will be scheduled by the parties quarterly commencing July 1, 1999 and will be valued during such quarter on a cost-per-thousand impressions ("CPM") basis. The CPM at which the Company's Online Advertising during a calendar quarter shall be valued shall be equal to the average prices charged by INDI during the immediately preceding quarter for sponsorship advertisements sold on a CPM basis (without limiting the foregoing, such sponsorship advertisements do not include (a) banner advertisements sold through third-party sales agents, (b) advertisements sold on a cost-per-action basis or (c) advertisements provided on a make-good or value-added basis) having similar dimensions and similar visual accessibility (i.e., advertisements requiring the same number of clicks from

3

the home page to reach page where they are placed) to the Company's Online Advertising. INDI shall notify the Company in writing by the twentieth day of each quarter, of the CPM determined in accordance with the preceding sentence. In the event that the Media Start Date is prior to July 1, 1999, the value of Online Advertising that is displayed between the Media Start Date and June 30, 1999 shall be at the CPM charged by INDI during the first calendar quarter of 1999 for sponsorship advertisements sold on a CPM basis having similar dimensions and similar visual accessibility to the Company's Online Advertising. INDI shall determine the applicable CPM, as described above, for its electronic publications (such as electronic mail) separately from those for its websites, and shall notify the Company of each such CPM as described above.

Section 2.4 Promotion Utilization Commitments.

(a) The Company shall utilize all \$3,184,000 of Promotions during the Promotion Period. At least \$983,000 of the Promotions shall be Print Advertising (the "Aggregate Print Advertising Commitment") and at least \$1,600,000 of the Promotions shall be Online Advertising (the "Aggregate Online Advertising Commitment"), in each instance based upon the valuation described in Section 2.3. Moreover, during each of the first four (4) quarters commencing July 1, 1999, the Company shall utilize at least \$98,300 of Print Advertising and at least \$275,000 of Online Advertising per quarter, and during each of the first six (6) quarters commencing July 1, 2000, the Company shall utilize at least \$98,300 of Print Advertising Promotions and at least \$83,333 of Online Advertising Promotions per quarter (the quarterly commitment set forth in this sentence for Print Advertising and for Online Advertising, respectively, for a given calendar quarter shall be described as the "Quarterly Print Advertising Commitment" and the "Quarterly Online Advertising Commitment,"

respectively, for such quarter). Notwithstanding the foregoing and subject to the Company's obligation to meet the Aggregate Print Advertising Commitment, the Company shall have the right to defer the use of up to an aggregate of \$98,300 of Print Advertising ("Deferred Print Advertising") and to use the Deferred Print Advertising, in whole or part, at any time during the Promotion Period. Upon each use of any Deferred Print Advertising, the Company shall have a continuing right to defer additional amounts of Print Advertising in an amount equal to the amount of Deferred Print Advertising so used. Subject to the Company's requirement to utilize all \$3,184,000 of Promotions during the Promotion Period, and notwithstanding anything in this Agreement to the contrary, (x) once the Company has utilized the Aggregate Print Advertising Commitment, the Quarterly Print Advertising Commitment shall become zero and (y) once the Company has utilized the Aggregate Online Advertising Commitment, the Quarterly Online Advertising Commitment shall become zero.

4

(b) Subject to the Company's Promotion utilization commitments described above, INDI and the Company shall mutually agree upon the calendaring of the Promotions during the Promotion Period. INDI acknowledges that the Company may desire to receive more than \$1,493,200 of Promotions (which equals the sum of the Quarterly Print Advertising Commitment and Quarterly Online Advertising Commitment for the first four quarters commencing July 1, 1999) during the first year of the Promotion Period and shall use commercially reasonable efforts to accommodate the Company's advertising desires.

(c) So long as INDI is capable of delivering the Quarterly Print Advertising Commitment during a given calendar quarter, the Company shall be deemed to have utilized the Quarterly Print Advertising Commitment for that quarter. So long as INDI is capable of delivering the Quarterly Online Advertising Commitment during a given calendar quarter, the Company shall be deemed to have utilized the Quarterly Online Advertising Commitment for that quarter.

Section 2.5 Promotions Not Transferable. The Promotions are not transferable in whole or in part by the Company. Without limiting the foregoing, the Company may not assign in whole or in part any of its obligations with respect to the utilization of Promotions described above.

Section 2.6 Content of Promotions. The content of the Promotions shall be designed by the Company and the Company shall be solely responsible for ensuring that the creative content of the Promotions do not violate any laws (including without limitation federal and state securities laws), do not infringe any copyright, trademark or other right of any third party and are not actionable on grounds of false advertising or otherwise. It is understood that INDI shall have no obligation to include any Promotions in any particular advertising medium if INDI's general and customary standards and practices would cause INDI to refuse to display such Promotions (without limiting the foregoing, INDI may refuse to display, in print or online, Promotions that INDI reasonably believes are false, libelous, scandalous or violate the rights of third parties, and may refuse to display online Promotions that have file sizes in excess of 12 kilobytes or which in INDI's reasonable opinion would harm the user's experience on the INDI online site by causing the site's pages to take an undue time to load). Provided that the Company provides INDI with Promotions not objectionable ("Non-objectionable Creative"), INDI's right to refuse to display certain Promotions described in the preceding sentence shall not relieve INDI of its obligations to provide the total value and type of Promotions set forth above.

5

Section 2.7 Absolute Obligation. Subject only to the Company providing INDI with Non-objectionable Creative, the obligation of INDI to deliver the Promotions as provided above shall be absolute and unconditional so long as neither Kirlin nor the Company is in material breach of this Agreement. Such obligation shall survive any transfer by INDI of the INDI Shares and by Kirlin of the Kirlin Shares, as well as any sale of assets of the Business, except as otherwise specifically set forth herein.

Section 2.8 Sale of INDI Properties. Notwithstanding the provisions of Section 11.2 or anything else in this Agreement to the contrary, (a) INDI retains the right in its sole and absolute discretion to sell or discontinue the publication of any of its print and online publications; (b) in the event that INDI sells both Individual Investor magazine and Ticker magazine

to a single party ("Print Acquiror") and Print Acquiror agrees in writing to provide the Print Promotions on the terms set forth herein, Kirlin and the Company shall be deemed to have consented to the assignment to Print Acquiror of INDI's rights and obligations pertaining to Print Promotions; and (c) in the event that INDI sells Individual Investor Online to a third party ("Online Acquiror") and Online Acquiror agrees in writing to provide the Online Promotions on the terms set forth herein, Kirlin and the Company shall be deemed to have consented to the assignment to Online Acquiror of INDI's rights and obligations pertaining to Online Promotions.

ARTICLE III
THE BUSINESS

Section 3.1 The Site.

(a) It is anticipated that the Commercial Launch (as defined below) of the Site shall occur on or prior to December 31, 1999.

(b) The "Commercial Launch" of the Site shall be deemed to occur at such time as (i) the Site is available to the public through the Internet, (ii) the Site possesses the functionality required to at least allow the commercial operation of the Online Matching Services and Online Private Placement Services and (iii) the Company is, either directly or through a subsidiary, a broker-dealer registered with the Securities and Exchange Commission and a member of the National Association of Securities Dealers, Inc. It is anticipated that the Site shall satisfy the requirements of clause (i) of the preceding sentence by August 1, 1999.

6

(c) Until the expiration of the Promotion Period, the Company shall not materially alter the Business without the written consent of INDI.

(d) The Site shall contain business plans, private placement memoranda, prospectuses and other information and content provided by various sources, including the Company and Kirlin and their respective affiliates (the "Materials"). The Company shall have the right to display and transmit the Materials. The Company shall have the regulatory authority, no later than the date of the Commercial Launch, to obtain a transactional fee with respect to any financing that occurs as a result of the use of the Online Matching Services or Online Private Placement Services (a "Finder's Fee"). Prior to date of the Commercial Launch, Kirlin and/or its Affiliates (as defined below) shall act in any broker-dealer capacity required in connection with the Business and shall be entitled to receive any Finder's Fee. The gross amount of the Finder's Fee, less the applicable taxes owed by Kirlin and/or its Affiliates with respect to the Finder's Fee, shall be referred to as the "After-tax Finder's Fee" and the "Kirlin Advertising Commitment" (as discussed hereafter) shall be twenty-five percent of the After-tax Finder's Fee.

(e) Funding of the Business. The Kirlin Contribution will be utilized to operate the Business until such time as the Kirlin Contribution is exhausted. The parties hereto acknowledge that it is likely that the Company will be required to seek additional funding to operate the Business from Kirlin, INDI or third parties. Neither INDI nor Kirlin shall be obligated to provide any additional funding to the Company.

ARTICLE IV
REPRESENTATIONS AND WARRANTIES OF THE COMPANY

The Company hereby represents and warrants to INDI as follows:

Section 4.1 Corporate Existence. The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of New York and is duly qualified to do business in each additional jurisdiction where the failure to so qualify would have, either singly or in the aggregate, a material adverse effect on the operations, business, properties, assets or condition (financial or otherwise) of the Company (a "Company Material Adverse Effect").

Section 4.2 Authorization; Binding Effect. The Company has all requisite corporate power and authority to (i) execute and deliver this Agreement, the Stockholder Agreement and the

7

Management Services Agreement (collectively, the "Transaction Documents"), (ii) to issue the INDI Shares and (iii) to carry out and perform its obligations under the terms of the Transaction Documents. The Transaction Documents have been duly authorized, executed and delivered and constitute the legal, valid and binding obligations of the Company, enforceable in accordance with their respective terms, except, in each case, as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, or other laws relating to or affecting the enforcement of creditors' rights generally in effect from time to time and by general principles of equity, and except that public policy may limit the Company's indemnification obligations under Section 7.2(c) hereof. The INDI Shares have been duly authorized, validly issued and are fully paid and nonassessable.

Section 4.3 No Conflicts with Agreements, Etc. Neither the execution and delivery of the Transaction Documents nor the fulfillment of or compliance with the terms and provisions of the Transaction Documents, nor the issuance of the INDI Shares, will conflict with, or result in a breach or violation of any of the terms, conditions or provisions of, or constitute a default under, the Company's Certificate of Incorporation or By-laws or any contract, agreement, mortgage, indenture, lease, instrument, order, judgment, statute, law, rule or regulation to which the Company or any of its assets is subject, or result in the creation of any security interest, mortgage, pledge, lien, claim, charge or encumbrance (collectively "Liens") on any properties of the Company, except for such conflicts, breaches, violations, defaults or Liens which would not have a Company Material Adverse Effect.

Section 4.4 Conduct of Business; Approvals. The Company has all requisite corporate power to own, lease and operate its properties and to carry on the Business as now being conducted. The Company has all necessary authorizations, approval, orders, licenses, certificates and permits (collectively, "Approvals") of all governmental and/or regulatory bodies to own or lease its properties and conduct its business, except where the failure to obtain such Approvals would not have a Company Material Adverse Effect. The Company is and has been doing business in compliance with all such Approvals and applicable federal, state and local laws, rules and regulations, except where the failure to do so would not have a Company Material Adverse Effect. The Company is not in violation or default in any material respect of any provision of its Certificate of Incorporation or By-laws, or in any material respect of any instrument, judgment, order, writ, decree or contract to which it is a party or by which it is bound, except where such violation or default would not reasonably be expected to have a Company Material Adverse Effect.

8

Section 4.5 Capitalization. The authorized capital of the Company consists of 30,000 shares, comprised of 25,000 shares of Common Stock (of which 12,484 shares will be issued and outstanding, after giving effect to the issuance of the INDI Shares) and 5,000 shares of preferred stock (of which no shares are outstanding). All of the shares of Common Stock outstanding immediately prior to the issuance of the INDI Shares are owned by Kirlin and have been duly and validly issued and are fully paid, non-assessable and free and clear of Liens. There are no outstanding options, warrants, rights (including conversion or preemptive rights) or agreements for the purchase or acquisition from the Company or Kirlin of any shares of the Company's capital stock. The Company is not a party to or subject to any agreement or understanding which affects or relates to the voting of, or giving of written consents with respect to, any security of the Company. The Company is not subject to any obligation (contingent or otherwise) to repurchase or otherwise acquire or retire any of its equity or ownership interests. The Company is not a party to any agreement (other than this Agreement and the Stockholder Agreement) that contains, nor does its Certificate of Incorporation or By-Laws contain, any provision that would restrict or prohibit the transfer or sale of any shares of Common Stock, including the INDI Shares, when transferred or sold in compliance with federal and state securities laws.

Section 4.6 Subsidiaries. The Company does not own or control, directly or indirectly, any interest in any corporation or other entity.

Section 4.7 Financial Statements. The Company has delivered to INDI a true and complete copy of its balance sheet as of April 30, 1999, and the related statement of operations and cash flows for the period from inception through April 30, 1999 (collectively, the "Financial Statements"). The Financial Statements present fairly, in all material respects, the financial position of the Company as at April 30, 1999 and the results of operations and cash flows of the Company for the period then ended. There have been no material adverse changes to the financial condition of the Company since April 30, 1999 other than continuing losses from operations (which losses, since April 30, 1999, do not exceed \$25,000 in the aggregate), increased stockholders' deficit and liabilities incurred in the regular course of business.

Section 4.8 Consents, Etc. No Approval from any governmental body, office or agency or any nongovernmental person (including, without limitation, any creditor of the Company) is required in connection with the execution or delivery of the Transaction Documents by the Company, the performance by the Company of its obligations under the Transaction Documents or in connection with the consummation of any other transactions contemplated by the Transaction Documents, including the

9

issuance of the INDI Shares, or as a condition to the legality, validity or enforceability of the Transaction Documents or the issuance of the INDI Shares.

Section 4.9 Title to Properties. The Company does not own any real property. The Company has good title to all of its material equipment, personal property and assets (other than properties and assets leased from others), subject to no Lien of any kind except Permitted Liens. ARTICLE VII COVENANTS OF THE COMPANY

The Company covenants and agrees as follows:

Section 7.1 Financial Statements and Other Information. Commencing on the date hereof, the Company shall deliver to INDI (i) quarterly unaudited financial statements of the Company for each of the first three fiscal quarters of each fiscal year within 50 days after the end of each such quarter, (ii) annual audited financial statements of the Company within 105 days after the end of each fiscal year, and (iii) any other information relating to the Company, the Business or the Site as INDI may

17

reasonably request in writing. The obligations of the Company under this Section 7.1 shall immediately terminate upon consummation of an initial public offering of the Common Stock and the obligations of clause (iii) of the preceding sentence shall terminate at such time as INDI no longer has the right pursuant to the Stockholder Agreement to designate a director of the Company.

Section 7.2 Registration Rights.

(a) Demand Registration.

(i) Grant of Right. INDI and Kirlin (together, the "Investors") shall each have the right, on one occasion, upon written demand to the Company ("Initial Demand Notice") to require the Company to register all or any portion of the Common Stock owned by the Investor or Investors making such demand as requested by such investor in the Initial Demand Notice (the "Registrable Securities"); provided, however, that, the Company shall not be obligated to register any Registrable Securities if the Company shall promptly deliver to such Investor an opinion of counsel, reasonably

satisfactory to such Investor, stating that such securities are saleable without restriction under an exemption from the registration requirements of the Act or shall become so saleable within 90 days of the Initial Demand Notice. On such occasion, the Company shall file a registration statement covering the Registrable Securities within 60 days after Investor gave the Initial Demand Notice; provided, however, the Company may delay such filing of a registration statement for one period of up to ninety consecutive days after receipt of the Initial Demand Notice if the Company believes, in good faith, that filing the registration statement would materially adversely impact the Company's then ongoing discussions or negotiations regarding a merger, acquisition, financing transaction or other similar transaction or any other event that the Company reasonably believes disclosure of would have a material adverse effect on the Company. The demand for registration may be made at any time commencing 270 days after the date ("Effective Date") on which the Common Stock of the Company becomes publicly traded. The rights afforded to each Investor under this Section 7.2(a) shall terminate with respect to such Investor at such time as such Investor owns less than 5% of the outstanding Common Stock.

(ii) Terms. The Company shall bear all fees and expenses attendant to registering the Registrable Securities, but each Investor shall pay any and all commissions in connection with the sale of the Registrable Securities. The Company agrees to use its best efforts to cause the filing required herein to become effective promptly and to qualify or register the Registrable Securities in such States as are reasonably requested by an Investor; provided, however, that in no event shall the Company

18

be required to register the Registrable Securities in a State in which such registration would cause (a) the Company to be obligated to register or license to do business in such State or consent to general service of process in such jurisdiction, or (b) the principal stockholders of the Company to be obligated to escrow their shares of capital stock of the Company. The Company shall cause any registration statement filed pursuant to the demand rights granted under Section 8.2(a) to remain effective for a period of at least 90 days from the date the Registrable Securities may be first sold thereunder.

(b) "Piggy-Back" Registration.

(i) Grant of Right. Each Investor shall also have the right at any time to include the Registrable Securities as part of any other registration of securities filed by the Company (other than in connection with a transaction contemplated by Rule 145(a) promulgated under the Act or pursuant to Form S-8 or any equivalent form); provided, however, that, (i) the Company shall not be obligated to register any Registrable Securities if the Company shall promptly deliver to such Investor an opinion of counsel, reasonably satisfactory to such Investor, stating that such securities are saleable without restriction under an exemption from the registration requirements of the Act or shall become so saleable within 90 days of the filing of such registration; and (ii) if, in the opinion of the Company's managing underwriter or underwriters, if any, for such offering, the inclusion of the Registrable Securities, when added to the securities being registered by the Company or the selling shareholder(s), will exceed the maximum amount of the Company's securities that can be marketed (a) at a price reasonably related to their then current market value, or (b) without materially and adversely affecting the entire offering, each Investor shall agree to the following if and as requested by the managing underwriter: (1) to withdraw the Registrable Securities from inclusion on the registration; (2) to include the Registrable Securities on the registration, but not to sell any Registrable Securities, without the consent of the managing underwriter, for a period of 90 days from the effective date of the registration or (3) to reduce the amount of Registrable Securities to be included in such offering to the amount recommended by such managing underwriter; provided that if securities are being offered for the account of other persons or entities as well as the Company (and the underwriters), such reduction shall not represent a greater fraction of the number of Registrable Securities requested to be registered by the Investor than the fraction of similar reductions imposed on such other persons or entities over the amount of securities requested to be registered by such holders.

(ii) Terms. The Company shall bear all fees and expenses attendant to registering the Registrable Securities, but each Investor shall pay any and all commissions in connection

19

with the sale of the Registrable Securities. In the event of such a proposed registration, the Company shall either furnish each Investor with not less than

15 days' written notice prior to the proposed date of filing of such registration statement or simply include the shares of Common Stock owned by such Investor thereon. The Investor shall exercise the "piggy-back" rights provided for herein by giving written notice within 10 days of the receipt of the Company's notice of its intention to file a registration statement. The Company shall cause any registration statement filed pursuant to the above "piggyback" rights to remain effective for a period of at least 90 days from the date the Registrable Securities may be first sold thereunder.

(c) Indemnification. The Company shall indemnify each Investor participating in a registration and their respective officers, directors, employees and each person, if any, who controls such Investor within the meaning of Section 15 of the Act or Section 20(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") (collectively, the "INDI Indemnitees" or "Kirlin Indemnitees," as the case may be), against all loss, claim, damage, expense or liability (including all reasonable attorneys' fees and other expenses reasonably incurred in investigating, preparing or defending against any claim whatsoever) to which they may become subject under the Act, the Exchange Act or otherwise, arising from such Registration Statement, except those arising from material misstatements or omissions in the Investor Information (defined below). Each Investor participating in a registration shall separately and not jointly indemnify the Company, its affiliates and their respective officers, directors, employees and affiliates (collectively, the "Company Indemnitees"), against all loss, claim, damage, expense or liability (including all reasonable attorneys' fees and other expenses reasonably incurred in investigating, preparing or defending against any claim whatsoever) to which they may become subject under the Act, the Exchange Act or otherwise, arising from material misstatements or omissions related to information regarding the Investor's ownership of Registrable Securities and plan of distribution with respect thereto furnished by or on behalf of such Investor or its successors or assigns, in writing, for specific inclusion in such Registration Statement.

Section 7.3 Management Services. During the Promotion Period, Kirlin and/or its Affiliates shall provide Services (as defined) to the Company. "Services" means those services deemed necessary or appropriate by the Company for the development, management, operation and, prior to the Launch Date, the launch, of the Site, and for the operation of the Business, including, but not limited to certain marketing, MIS, corporate communications, corporate executive management, HR administration, financial, legal and accounting services (including processing of accounts payable, payroll and treasury) and other services as may be requested from time to time by the Company in connection with the

20

Business. In consideration of the Services, the Company shall pay Kirlin a monthly fee representing a fair allocation of all indirect, non-out-of-pocket or centralized expenses incurred by Kirlin on behalf of the Company (such fair allocation to be based on actual cost, to the extent determinable), such fee not to exceed \$25,000 in any one month without the prior written consent of INDI. The Company shall also reimburse Kirlin for all out-of-pocket expenses incurred on behalf of the Company. Kirlin shall deliver to the Company and INDI quarterly summaries of such Services and the fees and expenses charged by Kirlin to the Company in connection therewith.

Section 7.4 Notification of Parties Requesting Financing through the Company. The parties acknowledge that INDI's reputation for journalistic integrity is of great value to INDI, that INDI desires to avoid the suggestion of impropriety in connection with its editorial content, and that INDI's reputation could be damaged were INDI to report on companies that receive funding through the Business. The Company agrees to notify INDI in writing of the name of any public company that submits to the Company a request to utilize the Business to obtain financing, promptly after the Company's receipt of such request. The Company also agrees to notify INDI in writing of the name of any company that utilizes the Business in connection with the registered offering of securities, promptly after the declared effectiveness of such offering. INDI acknowledges that it shall be subject to the obligations of Section 8.1 with respect to any information submitted to INDI pursuant to this Section 7.4.

ARTICLE VIII CONFIDENTIALITY

Section 8.1 Confidentiality. INDI hereby agrees to hold in strict confidence, unless compelled to disclose by judicial or administrative process or by other requirements of law, all documents and information concerning the Company obtained by INDI pursuant to the terms of this Agreement or the Stockholder Agreement, except to the extent that such information can be shown to have been (i) in the public domain through no fault of INDI, (ii) lawfully acquired by INDI from another source, which source shall not be the agent of any of INDI or person under confidentiality obligations to any of the

parties to this Agreement or their respective affiliates, or (iii) independently developed by INDI or its affiliates. Except as otherwise required by applicable law, rule or regulation, INDI shall not release or disclose such information to any other person, except its attorneys and other consultants and advisors who need to know same in connection with the Transaction Documents and the transactions contemplated by the Transaction Documents, who shall each agree to hold such information in confidence. Section 10.4 Notices; Third Party Claims.

(a) A party required to make an indemnification payment pursuant to this Article 11 ("Indemnifying Party") shall have no liability to make such payment unless the party or parties entitled to receive such indemnification payment (each an "Indemnified Party") gives notice to the Indemnifying Party specifying (i) the covenant, representation or warranty contained herein which it asserts has been breached, (ii) in reasonable detail,

the nature and dollar amount of any claim the Indemnified Party may have against the Indemnifying Party by reason thereof under this Agreement, and (iii) whether the claim is a third-party claim or a direct claim of the Indemnified Party against the Indemnifying Party.

(b) If an Indemnified Party becomes aware of a third-party claim for which an Indemnifying Party would be liable to an Indemnified Party hereunder, the Indemnified Party shall, with reasonable promptness, notify in writing the Indemnifying Party of such claim, identifying the basis for such claim and the amount or the estimated amount thereof to the extent then determinable which estimate shall not be conclusive of the final amount of such claim (the "Claim Notice"); provided, however, that any failure to give such Claim Notice will not be deemed a waiver of any rights of the Indemnified Party except to the extent the rights of the Indemnifying Party are actually prejudiced by such failure. The Indemnifying Party, upon request of the Indemnified Party, shall retain counsel (who shall be reasonably acceptable to the Indemnified Party) to represent the Indemnified Party and shall pay the reasonable fees and expenses of such counsel with regard thereto; provided further, however, that any Indemnified Party is hereby authorized, prior to the date on which it receives written notice from the Indemnifying Party designating such counsel, to retain counsel, whose reasonable fees and expenses shall be at the expense of the Indemnifying Party, to file any motion, answer or other pleading and take such other action which it reasonably shall deem necessary to protect its interests or those of the Indemnifying Party until the date on which the Indemnified Party receives such notice from the Indemnifying Party. After the Indemnifying Party shall retain such counsel, the Indemnified Party shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party unless (i) the Indemnifying Party and the Indemnified Party shall have mutually agreed to the retention of such counsel or (ii) the named parties of any such proceeding (including any impleaded parties) included both the Indemnifying Party and the Indemnified Party and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. If requested by the Indemnifying Party, the Indemnified Party agrees to cooperate with the Indemnifying Party and its counsel (at the Indemnifying Party's expense) in contesting any claim or demand which the

25

Indemnifying Party defends. A claim or demand may not be settled by any party without the prior written consent of the other party (which consent will not be unreasonably withheld) unless, as part of such settlement, the Indemnified Party shall receive a full and unconditional release reasonably satisfactory to the Indemnifying Party. Notwithstanding the foregoing, the Indemnifying Party shall not settle any claim without the prior written consent of the Indemnified Party if the settlement would contain any injunctive obligations that would be binding upon the Indemnified Party.

ARTICLE XI MISCELLANEOUS

Section 11.1 Survival. The warranties and representations of the Company, Kirlin and INDI contained in or made pursuant to this Agreement shall survive the execution and delivery of this Agreement.

Section 11.2 Successors and Assigns. None of the rights or obligations of the parties hereto may be assigned without the written consent of each of the parties, and any attempt to do so shall be null and void. Subject to the preceding sentence, the rights and obligations of each party hereto shall be binding on and inure to the benefit of its successors and permitted assigns.

Section 11.3 Governing Law; Venue. This Agreement shall be governed by and construed under the law of the State of New York, disregarding any principles of conflicts of law that would otherwise provide for the application of the substantive law of another jurisdiction. Each of the Company, Kirlin and INDI further agrees to accept and acknowledge service of any and all process which may be served in any such suit, action or proceeding in the New York State Supreme Court, County of New York, or in the United States District Court for the Southern District of New York and agrees that service of process upon it mailed by certified mail to its address set forth herein shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding.

Section 11.4 Counterparts and Facsimile Signatures. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. A signature received via facsimile shall be deemed an original for all purposes.

Section 11.5 Titles and Subtitles. The titles and subtitles used in this Agreement are used for convenience only and are not to be considered in construing or interpreting this Agreement.

Section 11.6 Notices. If INDI elects to so terminate, it must deliver the INDI shares to the Company, which shares shall be immediately canceled or placed in the treasury of the Company. INDI shall deliver the INDI Shares concurrently with the delivery of the Termination Notice to the Company unless INDI elects to exercise its "put" right as described in Section 7 of the Securities Purchase Agreement, in which event INDI shall deliver the INDI Shares at the closing described in such Section of the Securities Purchase Agreement. Section 11.10 Severability. If one or more provisions of this Agreement is or are held to be unenforceable under applicable law, such provision(s) shall be excluded from this Agreement and the balance of the Agreement shall be interpreted as if such provision(s) were so excluded and shall be enforceable in accordance with its remaining terms.

Section 11.13 Definition of Affiliates. "Affiliate" of a party shall mean any person or entity owned or controlled by or under common control with such party and any of their respective directors, officers or employees; provided, however, that the parties' nonemployee directors and Saul Steinberg and any entity controlled by such persons shall not be deemed Affiliates.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first above written.

STOCKHOLDER AGREEMENT

This STOCKHOLDER AGREEMENT is made as of the 2nd day of June, 1999 by and among VENTUREHIGHWAY.COM INC., a New York corporation (the "Company"), KIRLIN HOLDING CORP., a Delaware corporation ("Kirlin"), and INDIVIDUAL INVESTOR GROUP, INC., a Delaware corporation ("INDI").

WHEREAS, the Company was formed on March 1, 1999 and thereafter issued 10,000 shares of its common stock, no par value ("Common Stock") to Kirlin;

WHEREAS, the Company, Kirlin and INDI are simultaneously herewith entering into an agreement (the "VentureHighway Agreement") relating to their respective investments in and operation of "VentureHighway.com," a branded website (the "Site"), the primary focus, principal theme and format of which shall be to serve as an interactive portal for one or more of the following activities: (a) the matching of companies seeking funding with qualified investors seeking to fund such companies ("Online Matching Services"), (b) the facilitation of private placements of securities of companies to qualified investors ("Online Private Placement Services"), and (c) the facilitation of public offerings of securities of companies (the operation of such a website (or site available on a proprietary online service) being referred to herein as the "Business");

WHEREAS, pursuant to the VentureHighway Agreement, the Company will

issue 2,484 shares of Common Stock to INDI, representing 19.9% of the outstanding shares of Common Stock on an after-issued basis (with Kirlin's shares of Common Stock representing 80.1% of the outstanding shares of Common Stock);

WHEREAS, the Common Stock owned by INDI and Kirlin (together, the "Stockholders") will constitute 100% of the issued and outstanding capital stock of the Company; and

WHEREAS, the Stockholders and the Company desire to set forth certain agreements among them with respect to (a) the transfer and control of the Common Stock owned by them or their respective Affiliates (as defined in Section 7 hereof) and (b) the management of the Company.

NOW THEREFORE, in consideration of the premises and mutual agreements herein and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties hereto agree as follows:

1

1. Effective Date; Management; Board of Directors.

(a) Immediately after the execution of this Agreement, the Board of Directors and Officers of the Company shall be comprised of the persons set forth on Schedule 1 hereto. One of the directors has been designated by INDI, with the balance being designated by Kirlin.

(b) Until the later of such time as (i) INDI, together with any of its Affiliates, owns Shares (as defined in Section 9) constituting less than 10% of the outstanding Common Stock and (ii) the Promotion Period expires, INDI shall continue to have the right to designate one director to serve on the Board of Directors ("INDI Director"). Each INDI designee must be reasonably acceptable to Kirlin. Notwithstanding anything to the contrary in this Agreement, while there is an INDI Director serving on the Board of Directors, the Company shall not, without approval of the INDI Director, (a) engage in any transaction with Kirlin or its Affiliates, except those contemplated by Section 7.3 of the VentureHighway Agreement or (b) declare or pay any cash dividend to the holders of the Common Stock if Kirlin or its Affiliates would be entitled to receive or participate therein.

(c) Until such time as Kirlin owns Shares constituting less than 50% of the outstanding Common Stock, Kirlin shall continue to have the right to designate the majority of the directors constituting the Board.

(d) Each Stockholder and its Affiliates shall vote all of their Shares for the election of the other Stockholder's designees.

2. Restrictions on Transfers of INDI Shares.

(a) Transfer of Shares. INDI and its Affiliates shall not sell, transfer, assign, pledge, donate, or otherwise encumber or dispose of any interest in its Shares (a "Transfer") except as provided herein.

(b) Exempt Transfers. INDI may make an Exempt Transfer at any time. An "Exempt Transfer" shall be deemed to be any Transfer made by INDI (i) to the Company; (ii) to Kirlin or any of its Affiliates; (iii) to any of INDI's Affiliates; or (iv) to a third party in a Control Transfer (as defined in Section 4(d)).

2

(c) Non-Exempt Transfers. Any Transfer other than those set forth in Section 2(b) shall be deemed a Non-Exempt Transfer. INDI shall not be permitted to make a Non-Exempt Transfer unless (i) it has first complied with Kirlin's First Offer Right (set forth in Section 2(d)) and (ii) all Shares owned by INDI and any of its Affiliates are the subject of such Transfer. Notwithstanding anything to the contrary, INDI shall not make any Non-Exempt Transfer prior to the expiration of the Promotion Period (as defined in the VentureHighway Agreement).

(d) First Offer Right.

(i) If INDI wishes to make a Non-Exempt Transfer of its Shares ("Offered Shares"), then, at least 30 days before making any such Non-Exempt Transfer (the "Rights Exercise Election Period"), INDI shall deliver to the Company and Kirlin a written notice (the "INDI

Sale Notice") notifying them of the proposed Non-Exempt Transfer. The INDI Sale Notice shall disclose in reasonable detail the proposed terms and conditions of the Non-Exempt Transfer, including, without limitation, the price per share to be paid by the transferee, the identity of the transferee, evidence of its financial ability to effectuate the purchase, and confirmation of the transferee's agreement to be bound by the terms of this Agreement. Unless otherwise agreed by Kirlin, the purchase price for any Non-Exempt Transfer must be payable in cash and/or marketable securities at the closing of the transaction. In any case where INDI is offered marketable securities from the transferee in payment for the Offered Shares, if Kirlin exercises its First Offer Right, it shall pay for the Offered Shares in cash in an amount equal to the market value of such marketable securities. Such market value shall be the number of securities offered as consideration for the Offered Shares ("Consideration Securities") multiplied by the closing price of the Consideration Securities on the last trading day prior to the date the third-party offer was made. Notwithstanding the foregoing, if the number of Consideration Securities being offered is greater than the then average daily trading volume (based on the then last 30 trading days) of the Consideration Securities multiplied by four, Kirlin shall have the right to use a third-party investment bank to determine the fair, discounted value of such shares (e.g., discounted to give effect to block purchases, etc.). In such situation, the parties agree to use and be bound by the value determined by such third-party investment bank.

(ii) Kirlin (or any Affiliate designated by it) shall have the right to purchase all (but not less than all) of the Offered Shares, at the price and on the terms specified in the INDI Sale Notice (the "Offer Right"). Kirlin shall deliver written notice of its election to exercise the Offer Right (the "Purchase Election Notice") to INDI within 15 days after the INDI Sale Notice is given.

3

Failure by Kirlin to give a timely Purchase Election Notice to INDI shall be deemed an election by it not to exercise the Offer Right.

(iii) If Kirlin elects to purchase all of the Offered Shares pursuant to the Offer Right, then such purchase shall, unless the parties thereto otherwise agree, be completed at a closing to be held at the principal office of the Company at 10:00 a.m. local time on the 10th day following the exercise of the Offer Right.

(iv) The purchase price for the Shares sold pursuant to the Offer Right shall be the purchase price contained in the INDI Sale Notice, and shall be on the applicable terms and conditions contained in the INDI Sale Notice and this Agreement.

(v) In the event that Kirlin fails to exercise the Offer Rights, then INDI shall be permitted to transfer the Offered Shares solely to the proposed transferee and solely on the terms and conditions set forth in the INDI Sale Notice, subject to paragraph (e), below.

(e) Limitations on Future Rights. Kirlin and the Company agree that any restrictions imposed upon any other investors in the Company which are similar to the First Offer Right shall have terms no more favorable to such investor than those provided to INDI hereunder.

(f) Rights and Obligations Attached to Common Stock; Securities Laws. Upon a Transfer by INDI, the recipient of the Shares shall be entitled to all of the rights and benefits, and subject to all the obligations, of INDI arising under this Agreement. Prior to any Transfer, INDI shall cause (i) the prospective transferee to execute and deliver documents evidencing same to the Company and Kirlin, in type and form reasonably satisfactory to the Company and (ii) its counsel to deliver an opinion to the Company, in form reasonably satisfactory to the Company, to the effect that such Transfer may be made without registration under federal securities laws.

(g) Prohibited Transfers. Notwithstanding anything to the contrary, INDI (and its Affiliates) shall be prohibited, without Kirlin's consent, from selling its Shares in a Non-Exempt Transfer to any entity that is a member of any national securities exchange or the National Association of Securities Dealers, Inc. or any Affiliate of such entity.

4

(h) Improper Transfer. Any attempt to transfer any Shares which is not in accordance with this Agreement or is in violation of law shall be null and void, and the Company shall not give any effect to such attempted transfer in the share records of the Company.

3. Pre-emptive Rights.

(a) Except with respect to (i) the grant of options (and the issuance of shares of Common Stock upon exercise thereof) to employees, consultants, directors and officers of the Company where the pre-money valuation of the Company (i.e., the number of shares outstanding (on a fully diluted basis) multiplied by the option exercise price) is more than \$16 million, (ii) the issuance of securities by the Company in a private offering where the pre-money valuation of the Company (i.e., the number of shares outstanding (on a fully diluted basis) multiplied by the offering price) is more than \$16 million, and (iii) the issuance of securities by the Company in an underwritten public offering, if the Company proposes to offer or sell, in consideration for cash, cash equivalents, Barter Consideration (as defined) or promissory notes, shares of Common Stock or any other class of capital stock or securities convertible or exercisable into or exchangeable for shares of Common Stock or any other class of the Company's capital stock ("New Offer"), the Company shall offer to each Stockholder the right ("Pre-emptive Right"), on the same terms specified below (the "Preemptive Right Terms"), to purchase up to that number of securities sufficient to permit the Stockholder to maintain its proportionate equity interest in the Company (as determined by dividing all of the Shares then owned by such Stockholder (and its Affiliates) by the shares of Common Stock then outstanding. Notwithstanding the foregoing, no Pre-emptive Rights shall be triggered by the grant of options by the Company (and the issuance of shares of Common Stock upon exercise thereof) to employees, consultants, directors and officers of the Company where the pre-money valuation of the Company is less than \$16 million (such options, the "Subject Options") until such time as Subject Options to purchase an aggregate of 20% of the Company's then outstanding Common Stock on an after-issued basis (currently 3,121 shares) have been granted ("Subject Option Limit Date"). Pre-emptive Rights shall be triggered by any grant of Subject Options after the Subject Option Limit Date, and the number of shares of Common Stock purchasable upon exercise of such Pre-emptive Rights shall be calculated based solely upon the number of shares purchasable upon exercise of Subject Options granted after the Subject Option Limit Date. With respect to cash consideration specified in the New Offer, the Pre-emptive Right Terms shall be the same as those specified in the New Offer. With respect to non-cash consideration specified in the New Offer, the Pre-emptive Right Terms shall permit the Stockholder (and its Affiliates) to provide such consideration in the form of cash, cash equivalents and/or a form of non-cash consideration substantially similar to the non-cash consideration specified in the

5

New Offer, in each case having a value equal to the fair value of the non-cash consideration specified in the New Offer.

(b) "Barter Consideration" shall mean nonmonetary consideration which can be utilized in the business of the Company, is not unique in character and is readily available from multiple providers for purchase for cash in the market.

(c) The Company shall send a written notice of the New Offer to each Stockholder at least 20 days prior to the consummation of any New Offer specifying in reasonable detail the material terms of the New Offer including, without limitation, the material terms of the proposed security, the material terms of any proposed agreement to be executed by the purchaser, the consideration per share to be paid by the purchaser, and the identity (if known) of each proposed purchaser. Each Stockholder shall notify the Company within ten days of the receipt of such notice whether it intends to exercise its rights under this Section. The closing of any purchase of securities by a Stockholder under this Section shall take place on the same day as the closing of the New Offer at the Company's discretion, within 10 days thereafter.

(d) The Pre-emptive Rights afforded under this Section 3 shall terminate with respect to a Stockholder at such time as it owns less than 5% of the outstanding Common Stock.

4. Control Transfer.

(a) If Kirlin and/or any of its Affiliates which owns Shares proposes to make a Control Transfer (as hereinafter defined) of any of their Shares, then INDI shall have the right to participate ("INDI Participation Right") and Kirlin shall have the right to require INDI to participate ("Kirlin Bring Along Right") in any such sale on the same terms as Kirlin and/or its

Affiliates by requiring the purchaser to purchase the "INDI Proportionate Share" (as hereinafter defined) of the Shares to be sold, on the same terms and conditions as pertain to the Shares to be sold by Kirlin and/or its Affiliates in the Control Transfer. Notwithstanding the foregoing, if the pre-money valuation of the Company (i.e., the price per share being offered by the purchaser multiplied by the number of shares of Common Stock outstanding on a fully diluted basis) is less than \$32 million, INDI shall have the right to require the purchaser to purchase (and Kirlin shall have the right to require INDI to sell to the purchaser) all of the INDI Shares on the same terms and conditions as pertain to the Shares to be sold by Kirlin and/or its Affiliates in the Control Transfer.

6

(b) "INDI Proportionate Share" means the percentage determined by dividing (x) the number of Shares then owned by INDI and its Affiliates, by (y) the sum of (i) the number of Shares then owned by Kirlin and its Affiliates plus (ii) the number of Shares then owned by INDI and its Affiliates.

(c) Procedure.

(i) If Kirlin desires to make a Control Transfer, then at least 30 days before making any such Control Transfer (the "INDI Rights Exercise Period"), Kirlin shall deliver to INDI a written notice (the "Change of Control Notice") notifying it of the proposed Control Transfer. The Change of Control Notice shall specify the proposed number of Shares to be the subject of the Control Transfer (the "Subject Shares") and disclose in detail the proposed terms and conditions of the Control Transfer, including, without limitation, the price per share to be paid by the transferee, the identity of the transferee, evidence of its financial ability to effectuate the purchase and, if applicable, notice that INDI is obligated to include and sell all of its Shares or the INDI Proportionate Share, as the case may be, as part of such Control Transfer pursuant to the Kirlin Bring Along Right. In the event the consideration to be given by the transferee in the Control Transfer consists in part or in whole of consideration other than cash, a description of the non-cash component of the consideration, together with Kirlin's reasonable estimate of the fair market value of such non-cash component shall also be provided in the Change of Control Notice. INDI shall have 15 days from the receipt of the Change of Control Notice to exercise the INDI Participation Rights by providing written notice of such exercise to Kirlin. Failure by INDI to give timely notice to Kirlin shall be deemed an election by it not to exercise the INDI Participation Right.

(ii) If INDI exercises the INDI Participation Right, or Kirlin exercises the Kirlin Bring Along Right, it shall cooperate in consummating the Control Transfer, including, without limitation, by becoming a party to the sale agreement and all other appropriate related agreements, delivery of certificates and other instruments for its Shares duly endorsed for transfer, free and clear of all liens and encumbrances, and voting or consenting in favor of such transaction (to the extent a vote or consent is required) and taking any other necessary or appropriate action in furtherance thereof, including the execution and delivery of any other appropriate agreements, certificates, instruments and other documents, including becoming a party to standard representations, warranties and indemnities in such agreements.

7

(iii) In the event that INDI fails to exercise the INDI Participation Right, then Kirlin shall be permitted to transfer the Subject Shares solely to the proposed transferee and solely on the terms and conditions set forth in the Change of Control Notice.

(d) "Control Transfer" means the first transaction or series of related transactions as a result of which any third party, or group of third parties acting in concert, acquires, directly or indirectly, from Kirlin and/or any of its Affiliates, a majority of the Common Stock owned by Kirlin and its Affiliates prior to such transaction or series of related transactions or the power or ability to exercise voting rights in respect of a majority of such shares of Common Stock.

5. Representation and Warranty of Stockholders. Each of the

Stockholders hereby represents and warrants that, except for this Agreement and the VentureHighway Agreement, it is not a party to any contract or agreement respecting the Shares, including any voting trust or other voting arrangement, option or transfer agreement.

6. Noncompetition. If INDI or any Affiliate shall breach Section 9.3(a) of the VentureHighway Agreement after the Promotion Period, then from and after such date, the rights provided to INDI in Sections 1(b), 3 and 4 of this Agreement shall terminate. If Kirlin or any Affiliate shall breach Section 9.3(a) of the VentureHighway Agreement, then from and after such date, the rights provided to Kirlin in Sections 2, 3 and 4 of this Agreement shall terminate.

7. Definition of Affiliates. "Affiliate" of a party shall mean any person or entity owned or controlled by or under common control with such party and any of their respective directors, officers or employees; provided, however, that the parties' nonemployee directors and Saul Steinberg and any entity controlled by such persons shall not be deemed Affiliates. For purposes of this Agreement, the Company shall not be deemed to be an Affiliate of either INDI or Kirlin or any of their respective Affiliates. In the event INDI makes a Transfer to any Affiliate or Affiliates, INDI shall designate a single entity (either itself or an Affiliate) to serve as the sole party to which Kirlin or the Company shall provide any notice required to be delivered to INDI or its Affiliates under this Agreement and the VentureHighway Agreement and such designated entity shall also become the sole party which may serve notice upon the Company or Kirlin and which may elect any rights afforded to INDI and/or its Affiliates hereunder or thereunder. Any obligation on the part of INDI to give notice to Kirlin under this Agreement or the VentureHighway Agreement shall be satisfied by INDI giving notice to Kirlin, regardless of whether Kirlin has transferred all or any portion of its Shares to an Affiliate or any other party.

8

8. Definition of "Shares". The term "Shares" shall mean any and all shares of Common Stock outstanding as of the Closing Date and any additional shares of Common Stock hereafter acquired by the owner thereof.

9. Specific Performance. If any Stockholder commits a breach, or threatens to commit a breach, of any of the provisions of this Agreement, the other parties shall have the right and remedy to have the provisions of this Agreement specifically enforced by any court having equity jurisdiction, it being acknowledged and agreed by the parties that the transactions contemplated hereunder are of a special, unique and extraordinary character and that any such breach or threatened breach by a party will cause irreparable injury to the other parties and that money damages will not provide an adequate remedy to such other parties.

10. Successors and Assigns. None of the rights or obligations of the parties hereto may be assigned without the written consent of each of the parties, and any attempt to do so shall be null and void. Subject to the preceding sentence, the rights and obligations of each party hereto shall be binding on and inure to the benefit of its successors and permitted assigns.

11. Governing Law; Venue. This Agreement shall be governed by and construed under the law of the State of New York, disregarding any principles of conflicts of law that would otherwise provide for the application of the substantive law of another jurisdiction. The Company and each Stockholder (i) agrees that any legal suit, action or proceeding arising out of or relating to this Agreement shall be instituted exclusively in New York State Supreme Court, County of New York, or in the United States District Court for the Southern District of New York, (ii) waives any objection to the venue of any such suit, action or proceeding and the right to assert that such forum is not a convenient forum, and (iii) irrevocably consents to the jurisdiction of the New York State Supreme Court, County of New York, and the United States District Court for the Southern District of New York in any such suit, action or proceeding. The Company, Kirlin and each Stockholder further agrees to accept and acknowledge service of any and all process which may be served in any such suit, action or proceeding in the New York State Supreme Court, County of New York, or in the United States District Court for the Southern District of New York and agrees that service of process upon it mailed by certified mail to its address set forth herein shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding.

12. Counterparts and Facsimile Signatures. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. A signature received via facsimile shall be deemed an original for all purposes.

13. Titles and Subtitles. The titles and subtitles used in this Agreement are used for convenience only and are not to be considered in construing or interpreting this Agreement.

14. Notices. All notices and other communications given or made pursuant hereto shall be in writing and shall be deemed to have been duly given or made as of the date delivered if delivered personally or by nationally recognized overnight courier, or four business days after deposit with the United States Post Office by certified mail, postage prepaid, to the parties at the following addresses and numbers (or at such other address or number for a party as shall be specified by like notice, except that notices of changes of address or number shall be effective upon receipt):

WHEREAS, the Company and the Investor desire to enter into a relationship concerning the Company's subsidiary, VentureHighway.com Inc. ("VentureHighway"), in accordance with the terms and conditions set forth in that certain agreement of even date herewith between the Company, the Investor and VentureHighway (the "VentureHighway Agreement") and in that certain stockholder agreement of even date herewith between the Company, the Investor and VentureHighway (the "Stockholder Agreement"); and

WHEREAS, in connection with the execution of the VentureHighway Agreement and the Stockholder Agreement, the Company wishes to sell to the Investor, and the Investor wishes to purchase from the Company, on the terms and in the manner set forth in this Agreement, shares of the common stock of the Company ("Common Stock").

IT IS AGREED:

1. Purchase and Sale of Common Stock and Warrants.

1.1. Subject to the terms and conditions of this Agreement, the Investor hereby purchases from the Company, and the Company hereby sells to the Investor, 150,000 shares ("Investor Shares") at a purchase price of \$5.00 per share, for an aggregate purchase price of \$750,000.

1.2. Concurrently with the execution of this Agreement, the Company is delivering to the Investor a certificate representing the Investor Shares and the Investor is delivering to the Company a certified or official bank check or a wire transfer in the amount of \$750,000 in payment of the purchase price, the receipt and adequacy of both of which are hereby acknowledged by the parties.

2. Representations and Warranties of the Company. The Company hereby represents and warrants to the Investor that:

2.1. Corporate Existence. The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware and is duly qualified to do business in each additional jurisdiction where the failure to so qualify would have, either singly or in the aggregate, a material adverse effect on the operations, business, properties, assets or condition (financial or otherwise) of the Company (a "Material Adverse Effect").

2.2. Authorization; Binding Effect; Valid Issuance of Investor Shares. The Company has all requisite corporate power and authority to (i) execute and deliver this Agreement, (ii) to issue the Investor Shares, (iii) to carry out and perform its obligations under the terms of this Agreement and (iv) to own, lease and operate its properties and conduct its business as now being conducted. This Agreement has been duly authorized, executed and delivered and constitutes the legal, valid and binding obligations of the Company, enforceable in accordance with its terms, except, as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, or other laws relating to or affecting the enforcement of creditors' rights generally in effect from time to time and by general principles of equity, and except that public policy may limit the Company's indemnification

obligations under Section 4.2(b) hereof. When issued in accordance with the terms of this Agreement, the Investor Shares will be duly authorized, validly issued, fully paid and nonassessable.

2.3. No Conflicts with Agreements, Etc. Neither the execution and delivery of this Agreement nor the fulfillment of or compliance with the terms and provisions hereof, nor the issuance of the Investor Shares, will conflict with, or result in a breach or violation of any of the terms, conditions or provisions of, or constitute a default under, the Company's Certificate of Incorporation or By-laws or any contract, agreement, mortgage, indenture, lease, instrument, order, judgment, statute, law, rule or regulation to which the Company or any of its assets is subject, or result in the creation of any security interest, mortgage, pledge, lien, claim, charge or encumbrance (collectively "Liens") on any properties of the Company, except for such conflicts, breaches, violations, defaults or Liens which would not have a Material Adverse Effect. The issuance of the Investor Shares will not violate any pre-emptive rights of any person.

2.4. Consents, Etc. No Approval from any governmental body, office or agency or any nongovernmental person (including, without limitation, any creditor of the Company) is required in connection with the execution or delivery of this Agreement by the Company or the performance by the Company of

its obligations hereunder, including the issuance of the Investor Shares, or as a condition to the legality, validity or enforceability of this Agreement or the issuance of the Investor Shares.

2.5. Accuracy of Periodic Filings. The Company has delivered to the Investor its Annual Report on Form 10-K for the fiscal year ended December 31, 1998 containing its audited financial statements at December 31, 1998 and for the fiscal year then ended, and its Quarterly Report on Form 10-Q for the fiscal quarter ended March 31, 1999, containing unaudited financial statements as at and for the three-month period ended March 31, 1999 (collectively, the "Reports"). The Reports do not contain any untrue statement of a material fact, nor do the Reports omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. Since the respective dates as of which information is given in the Reports, except as otherwise specifically stated therein, (i) there has been no material adverse change in the condition, financial or otherwise, or in the results of operations, business or business prospects of the Company, including, whether or not covered by insurance, and whether or not arising in the ordinary course of business and (ii) no events have occurred that would require the Company to file a Form 8-K.

2.6. Litigation. There is no action, suit, proceeding or investigation pending, or to the Company's knowledge currently threatened, against the Company which, if determined adversely to the Company, would reasonably be expected to have a Material Adverse Effect. The Company is not a party or subject to the provisions of any order, writ, injunction, judgment or decree of any court or government agency or instrumentality. There is no action, suit, proceeding or investigation by the Company currently pending or that the Company intends to initiate.

2.7. Compliance with Laws, Other Instruments, Etc. The Company is not in violation or default in any material respect of any provision of its Certificate of Incorporation or bylaws, or in any material respect of any instrument, judgment, order, writ, decree or contract to which it is a party or by which it is bound, or, to the best of its knowledge, of any provision of any federal or state statute, rule or regulation applicable to the Company, except where such violation or default would not reasonably be expected to have a Material Adverse Effect.

2

3. Representations and Warranties of the Investor. The Investor hereby represents and warrants to the Company that:

3.1. Corporate Existence. The Investor is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware and is duly qualified to do business in each additional jurisdiction where the failure to so qualify would have, either singly or in the aggregate, a material adverse effect on the operations, business, properties, assets or condition (financial or otherwise) of the Investor (an "Investor Material Adverse Effect").

3.2. Authorization; Binding Effect. The Investor has all requisite corporate power and authority to (i) execute and deliver this Agreement and (ii) to carry out and perform its obligations under the terms of this Agreement. This Agreement has been duly authorized, executed and delivered and constitutes the legal, valid and binding obligations of the Investor, enforceable in accordance with its terms, except, as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, or other laws relating to or affecting the enforcement of creditors' rights generally in effect from time to time and by general principles of equity, and except that public policy may limit the Investor's indemnification obligations under Section 4.2(b) hereof.

3.3. No Conflicts with Agreements, Etc. Neither the execution and delivery of this Agreement nor the fulfillment of or compliance with the terms and provisions hereof will conflict with, or result in a breach or violation of any of the terms, conditions or provisions of, or constitute a default under, the Investor's Certificate of Incorporation or By-laws or any contract, agreement, mortgage, indenture, lease, instrument, order, judgment, statute, law, rule or regulation to which the Investor or any of its assets is subject, or result in the creation of any security interest, mortgage, pledge, lien, claim, charge or encumbrance (collectively "Liens") on any properties of the Investor, except for such conflicts, breaches, violations, defaults or Liens which would not have an Investor Material Adverse Effect.

3.4. Consents, Etc. No Approval from any governmental body, office or agency or any nongovernmental person (including, without limitation, any creditor of the Investor) is required in connection with the execution or delivery of this Agreement by the Investor or the performance by the Investor of its obligations hereunder, or as a condition to the legality, validity or enforceability of this Agreement.

3.5. Purchase for Own Account. The Investor Shares will be acquired for investment for the Investor's own account, not as a nominee or

agent, and not with a view to the resale or distribution of any part thereof, and the Investor has no present intention of selling, granting any participation in, or otherwise distributing the same. The Investor does not have any contract, undertaking, agreement, or arrangement with any person to sell, transfer, or grant participations to such person or to any third person, with respect to any of the Investor Shares. The Investor understands that the Investor Shares are characterized as "restricted securities" under the federal securities laws inasmuch as they are being acquired from the Company in a transaction not involving a public offering and that under such laws and applicable regulations such securities may be resold without registration under the Securities Act of 1933, as amended ("Act"), only in certain limited circumstances. The Investor is familiar with Securities and Exchange Commission Rule 144 ("Rule 144"), as presently in effect, and understands the resale limitations imposed thereby and by the Act. The Investor understands that it cannot make any disposition of all or any portion of the Investor Shares unless there is then in effect a registration statement under the Act covering such proposed disposition and such disposition is made in accordance with such registration statement; or it shall have notified the Company of the proposed disposition and shall have furnished the Company with a statement of the circumstances surrounding the proposed disposition, and, if reasonably

3

requested by the Company, he shall have furnished the Company with an opinion of counsel, reasonably satisfactory to the Company, that such disposition will not require registration of such shares under the Act. The Investor understands that the certificates evidencing the Investor Shares shall bear the legends set forth below:

THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED ("ACT"), OR APPLICABLE STATE SECURITIES LAWS AND MAY NOT BE SOLD, PLEDGED OR OTHERWISE TRANSFERRED WITHOUT AN EFFECTIVE REGISTRATION STATEMENT WITH RESPECT THERETO UNDER THE ACT OR PURSUANT TO AN EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF SAID ACT AND COMPLIANCE WITH ANY APPLICABLE STATE SECURITIES LAW, OR UNLESS THE COMPANY RECEIVES AN OPINION OF COUNSEL, REASONABLY SATISFACTORY TO THE COMPANY AND ITS COUNSEL, THAT SUCH REGISTRATION IS NOT REQUIRED.

THE SECURITIES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO AN AGREEMENT DATED AS OF JUNE 1, 1999 BETWEEN THE COMPANY AND THE HOLDER (A COPY OF WHICH IS ON FILE AT THE OFFICES OF THE COMPANY) AND MAY ONLY BE SOLD OR OTHERWISE TRANSFERRED IN ACCORDANCE THEREWITH.

3.6. Accredited Investor Status. The Investor is an "accredited investor" within the meaning of Rule 501(a) of Regulation D, promulgated under the Act.

4. Covenants of the Company. The Company covenants and agrees as follows:

4.1. Use of Proceeds. Promptly following the execution of this Agreement, the Company shall contribute the proceeds received from the sale of the Investor Shares to the Company's subsidiary, VentureHighway, as contemplated by the VentureHighway Agreement.

4.2. Registration Rights

(a) Unless not permissible under applicable law or policy of the Securities and Exchange Commission, the Company shall (i) cause to be filed with the Commission as soon as practicable after the date hereof, but in no event later than 60 days after the date hereof, a registration statement under the Act relating to the resale of the Investor Shares (the "Registration Statement"), (ii) use its best efforts to cause such Registration Statement to become effective at the earliest possible time, and (iii) in connection with the foregoing, file all pre-effective amendments to such registration statement as may be necessary in order to cause such Registration Statement to become effective. The Company shall bear all fees and expenses attendant to registering the resale of the Investor Shares, but the Investor shall pay any and all commissions in connection with the resale of the Investor Shares and the fees, if any, of any professional engaged by the Investor in connection therewith. Once the Registration Statement is declared effective, the Company shall use its best efforts to cause the

4

Registration Statement to remain effective continuously until such time as the Investor Shares are freely saleable under an exemption from the registration requirements of the Act.

(b) Registration Indemnification. The Company shall indemnify the Investor and its affiliates and their respective officers, directors and employees against all loss, claim, damage, expense or liability

(including all reasonable attorneys' fees and other expenses reasonably incurred in investigating, preparing or defending against any claim whatsoever) to which they may become subject under the Act, the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or otherwise, arising from material misstatements and omissions in such Registration Statement, except those arising from material misstatements or omissions in the Investor Information (defined below). The Investor shall indemnify the Company and its affiliates and their respective officers, directors and employees against all loss, claim, damage, expense or liability (including all reasonable attorneys' fees and other expenses reasonably incurred in investigating, preparing or defending against any claim whatsoever) to which they may become subject under the Act, the Exchange Act or otherwise, arising from material misstatements or omissions in information regarding the Investor's ownership of Investor Shares and plan of distribution with respect thereto furnished by or on behalf of the Investor or its successors or assigns, in writing, for specific inclusion in such registration statement ("Investor Information").

5. Nasdaq Additional Listing Application. The Company shall promptly file the appropriate additional listing application with the Nasdaq stock market with respect to the Investor Shares.

6. Brokerage of Resale of Investor Shares. Any sale on the open market of the Investor Shares shall be made through Kirlin Securities, Inc., a wholly owned subsidiary of the Company ("KSI"). KSI shall charge the Investor standard commissions for all such sales. In connection with any such sales, KSI, in its capacity as a broker-dealer, shall have the same obligations to Investor as KSI would have to any of its general brokerage customers.

7. Put Right. In the event the Investor elects to terminate the VentureHighway Agreement in accordance with Section 11.7 thereof, the Investor shall have the right to require the Company (or a designee of the Company as provided below) to purchase all the Investor Shares then owned by the Investor and its affiliates. In order to exercise this "put" right, the Investor shall furnish the Company with written notice of such intent within five business days of the termination of the VentureHighway Agreement. A closing shall then take place within five business days of receipt of such notice, at which time the Investor shall deliver to the Company all Investor Shares being purchased by the Company and the Company shall deliver to the Investor, by certified or official bank check or wire transfer, payment for such Investor Shares. The amount so payable by the Company to the Investor shall be equal to (i) \$750,000 less (ii) amounts realized by Investor (and affiliates to whom it transferred shares) on all sales of Investor Shares prior thereto (with interest added to the amounts in clauses (i) and (ii) at an interest rate of 10% per annum). The Company may assign the obligation to make such payment to a designee; provided, however, that the Company guarantees in full the payment of such designee.

8. Indemnification. The Company shall indemnify and hold harmless the Investor and its affiliates and their officers, directors and employees and their successors and assigns, from and against any losses, damages, expenses or liabilities, including, without limitation, reasonable attorneys' fees, which may be sustained, suffered or incurred by the Investor and its affiliates and their

5

officers, directors and employees and their successors and assigns, arising from or in connection with the breach of any the Company's covenants, representations, warranties, agreements, obligations or undertakings hereunder. The Investor shall indemnify and hold harmless the Company and its affiliates and their officers, directors and employees and their successors and assigns, from and against any losses, damages, expenses or liabilities, including, without limitation, reasonable attorneys' fees, which may be sustained, suffered or incurred by the Company and its affiliates and their officer, directors and employees and their successors and assigns arising from or in connection with the breach of any the Investor's covenants, representations, warranties, agreements, obligations or undertakings hereunder.

9. Miscellaneous.

9.1. Survival. The representations, warranties and covenants of the Company and the Investor contained in or made pursuant to this Agreement shall survive the execution and delivery of this Agreement and shall in no way be affected by any investigation of the subject matter thereof made by or on behalf of the Investor or the Company.

9.2. Successors and Assigns. Nothing in this Agreement, express or implied, is intended to confer upon any party other than the signatories hereto any rights, remedies, obligations, or liabilities under or by reason of this Agreement. The rights granted to the Investor under Section 4 and its obligations under Section 5 shall inure to benefit of any affiliates of Investor to whom it transfers Investor Shares.

9.3. Governing Law; Venue. This Agreement shall be governed by and construed under the law of the State of New York, disregarding any principles of

conflicts of law that would otherwise provide for the application of the substantive law of another jurisdiction. The Company and the Investor each (i) agrees that any legal suit, action or proceeding arising out of or relating to this Agreement shall be instituted exclusively in New York State Supreme Court, County of New York, or in the United States District Court for the Southern District of New York, (ii) waives any objection to the venue of any such suit, action or proceeding and the right to assert that such forum is not a convenient forum, and (iii) irrevocably consents to the jurisdiction of the New York State Supreme Court, County of New York, and the United States District Court for the Southern District of New York in any such suit, action or proceeding. Each of the foregoing persons further agrees to accept and acknowledge service of any and all process which may be served in any such suit, action or proceeding in the New York State Supreme Court, County of New York, or in the United States District Court for the Southern District of New York and agrees that service of process upon it mailed by certified mail to its address set forth herein shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding.

9.4. Counterparts and Facsimile Signatures. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. A signature received via facsimile shall be deemed an original for all purposes.

9.5. Titles and Subtitles. The titles and subtitles used in this Agreement are used for convenience only and are not to be considered in construing or interpreting this Agreement.

9.6. Notices. Unless otherwise provided, any notice required or permitted under this Agreement shall be given in writing, shall be sent by facsimile to the party to be notified and shall be deemed effectively given upon personal delivery to the party to be notified, or four days after deposit with the United States Post Office, by registered or certified mail, postage prepaid and addressed to the party to be notified. Any notice to the Company or the Investor shall be sent to their respective facsimile numbers and addresses set forth on the signature pages hereof, or at such other facsimile number

6

or address as a party may designate by ten (10) days' advance written notice to the other parties, with a copy for the Company to David Alan Miller, Esq., Graubard Mollen & Miller, 600 Third Avenue, New York, New York 10016-2097, fax no. (212) 818-8881, and with a copy for the Investor to Richard W. Cohen, Esq., Lowey Dannenberg Bemporad & Selinger, P.C., One North Lexington Avenue, White Plains, New York 10601, fax no. (914) 997-0035.

9.8. Severability. If one or more provisions of this Agreement are held to be unenforceable under applicable law, such provision shall be excluded from this Agreement and the balance of the Agreement shall be interpreted as if such provision were so excluded and shall be enforceable in accordance with its remaining terms.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first above written.

INDIVIDUAL INVESTOR GROUP AGREES TO ACQUIRE 19.9% OF ONLINE VENTURE
CAPITAL SITE, VENTUREHIGHWAY.COM, FOR \$3.2 MILLION IN ADVERTISING

Kirlin Holding Retains 80.1% Stake in VentureHighway.com

NEW YORK, June 2, 1999 - Kirlin Holding Corp. (Nasdaq: KILN), Individual Investor Group, Inc. (Nasdaq: INDI) and VentureHighway.com Inc. today announced that Individual Investor Group has agreed to acquire 19.9% of VentureHighway.com, a Kirlin Holding subsidiary operating an Internet-based service for matching entrepreneurs and financing sources. In exchange, VentureHighway.com will receive \$3.2 million of advertising over 2-1/2 years in Individual Investor Group's online and print properties. In addition, Individual Investor Group agreed to acquire 150,000 shares of Kirlin Holding at a price of \$5.00 per share.

VentureHighway.com has recently launched its financing service at <http://www.VentureHighway.com>, to fully utilize the power of the Internet to make the process of financing early-stage opportunities more time efficient, cost effective and far reaching. Entrepreneurs will be able to log onto the site and apply to have a brief description of their company and funding needs posted on the Internet. Concurrently, financing sources such as venture capital funds, broker-dealers, investment banks and "angels" in search of business opportunities can log on to the site and search the VentureFinder database for a potential match.

"The Internet can revolutionize the financing of early-stage companies, in the same manner as the Internet is revolutionizing the securities brokerage industry and so many other industries," commented Jonathan Steinberg, Chairman and Chief Executive Officer of Individual Investor Group. Mr. Steinberg continued, "This investment is our latest and largest barter transaction with an emerging online business (our stake in Wit Capital was acquired through barter as well), and should significantly add to our operating results. As a result of this arrangement, we expect to recognize at least \$1.1 million of online advertising revenues, and at least \$400,000 of print advertising revenues, over the next four quarters."

"Aggressive promotion of our service to attract both entrepreneurs and the financiers will be a key to our success," stated Howard Nevins, President of VentureHighway.com. "Individual Investor Group should provide a perfect fit, as its online and print properties - Individual Investor Online (<http://www.iionline.com>), InsiderTrader.com (<http://www.insidertrader.com>), Individual Investor magazine and Ticker magazine - are focused on the world of investing and reach the sophisticated demographic base that we desire."

To help attract financing sources, VentureHighway.com first will screen the financing requests. Entrepreneurs submitting plans accepted for posting on the site will be charged a small listing fee and a brief summary (not including the company name, address and contact numbers) of their company and its financing request will be posted on www.VentureHighway.com. Financing sources will be able to freely use the VentureFinder database to search for business opportunities. If a financing source finds a company of interest, the financing source can request to be introduced to such company to obtain its business plan and other information. VentureHighway.com will then notify the entrepreneur of the potential financing source, enabling the two parties to attempt to reach a financing agreement. In the event of a financing, VentureHighway.com will collect a success fee, once it obtains its broker-dealer registration. VentureHighway.com expects to obtain its broker-dealer registration promptly. Kirlin Securities, Inc., the primary broker-dealer operating subsidiary of Kirlin Holding will earn any success fees earned prior to VentureHighway.com's registration.
