PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD JUNE 18, 2002

This Proxy Statement and the enclosed form of proxy are furnished in connection with solicitation of proxies by the Board of Directors of Individual Investor Group, Inc. to be used at the Annual Meeting of Stockholders of our company to be held on June 18, 2002, and any postponements or adjournments thereof ("Annual Meeting"). The matters to be considered at the Annual Meeting are set forth in the attached Notice of Annual Meeting.

The proxy will be voted (or withheld from voting) in accordance with any specifications made. Where no specifications are indicated, the proxies will vote "FOR" the nominees for directors as described below under Proposal 1, "FOR" the approval of the change of our company's name (the "Name Change") as described below under Proposal 2, and, in the discretion of the proxy holders, on any other business properly coming before the meeting and any postponement(s) or adjournment(s) thereof. A proxy may be revoked by giving notice to the Secretary of our company in person, or by written notification actually received by the Secretary, at any time prior to its being exercised.

Our company's executive offices are located at 125 Broad Street, 14th Floor, New York, New York 10004. This Proxy Statement and the enclosed form of proxy, together with a copy of our company's Annual Report on Form 10-KSB for the year ended December 31, 2001, are first being sent to stockholders on or about May 13, 2002.

VOTING SECURITIES

The Board of Directors has fixed the close of business on April 29, 2002, as the record date for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting. Only stockholders of record at the close of business on that date will be entitled to vote at the Annual Meeting or any and all postponement(s) or adjournment(s) thereof. As of April

29, 2002, our company had issued and outstanding 7,894,552 shares of Common Stock, our company's only class of voting securities outstanding. Each stockholder of our company will be entitled to one vote for each share of Common Stock registered in his, her or its name on the record date. The presence, in person or by proxy, of a majority of all of the outstanding shares of Common Stock constitutes a quorum at the Annual Meeting. Proxies that are marked "abstain" and proxies relating to "street name" shares that are returned to our company but marked by brokers as "not voted" will be treated as shares present for purposes of determining the presence of a quorum on all matters but will not be treated as shares entitled to vote on the matter as to which authority to vote is withheld by the broker ("broker non-votes").

The election of the directors requires a plurality vote of those shares of Common Stock voted at the Annual Meeting with respect to the election of the directors. "Plurality" means that the individual who receives the largest number of votes cast "FOR" is elected as a director. Consequently, any shares of Common Stock not voted "FOR" a particular nominee (whether as a result of a direction to withhold authority or a broker non-vote) will not be counted in such nominee's favor.

The Name Change must be approved by the affirmative vote of a majority of the shares of Common Stock outstanding and entitled to vote. Because of this, abstentions from voting with respect to the Name Change and shares deemed present at the meeting but not entitled to vote on the Name Change (because of a broker non-vote) will have the same effect as a vote against the proposal.

All other matters to be voted on will be decided by the affirmative vote of a majority of the shares of Common Stock present or represented at the Annual Meeting and entitled to vote. On any such matter, an abstention will have the same effect as a negative vote, but because shares of Common Stock held by brokers will not be considered entitled to vote on matters as to which the brokers withhold authority, a broker non-vote will have no effect on the vote.

PROPOSAL 1: ELECTION OF DIRECTORS

The Board of Directors is divided into three classes. The term of the first class of directors, consisting of Jonathan L. Steinberg and E. Drake Mosier, will expire in 2003. The term of the second class of directors, consisting of Bruce L. Sokoloff and Peter M. Ziemba, would have expired in 2001 but, as our company did not have an annual meeting that year, the term of the second class of directors will expire on the date of this year's Annual Meeting and the new term will expire in 2004. The term of the third class of directors,

consisting solely of S. Christopher Meigher III, also will expire on the date of this year's Annual Meeting and the new term will expire in 2005. In each case, each director serves from the date of his election until the end of his term and until his successor is elected and qualified.

Ziemba as the candidates for election as directors in the second class of directors and has nominated S. Christopher Meigher III as the candidate for election as director in the third class of directors. Unless authority is withheld, the proxies solicited by management will be voted "FOR" the election of these nominees. In case any of the nominees becomes unavailable for election to the Board of Directors, an event that is not anticipated, the persons named as proxies, or their substitutes, shall have full discretion and authority to vote or refrain from voting for any other candidate in accordance with their judgment.

Director Compensation

Directors receive no cash compensation for their services to our company as directors, but are reimbursed for all reasonable costs incurred in attending meetings of the Board of Directors. Pursuant to the 1996 Plan, directors who are not employees of our company receive automatic grants of stock options upon their election or appointment as a director and upon each re-election as a director. Each stock option is for 30,000 shares of Common Stock and vests at the rate of 10,000 shares of Common Stock per year after an equal period of service, and once vested, remain exercisable until the tenth anniversary of the date of grant unless the director ceases to be a director for reason other than death, in which case a shorter exercise period may apply. Each option is exercisable per share at the fair market value per share on the date of grant. Notwithstanding the foregoing, if the director eligible for an award of a stock option is re-elected as a director and has not yet served as a director of our company for a term of three full years, the award of the stock

option will be modified as follows: (A) the number of shares of Common Stock that may be acquired under the stock option will be reduced to (1) 20,000 shares of Common Stock if the director has served as a director more than two years, but less than three years, (2) 10,000 shares of Common Stock if the director has served as a director more than one year, but less than two years, and (3) if the director has served less than one year as a director, no stock option will be awarded; and (B) the stock option will be exercisable by the director as to 10,000 shares of Common Stock on each of the second and third anniversaries of his re-election or re-appointment as a director if the stock option represents the right to acquire 20,000 shares of Common Stock and the stock option will be exercisable by the director as to 10,000 shares of Common Stock on the third anniversary of his re-election or re-appointment as a director if the stock option represents the right to acquire 10,000 shares of Common Stock. In 1999, the shares of Common Stock reserved under the 1996 Plan were fully utilized and our company continued this compensation structure outside of the 1996 Plan in connection with the appointment of E. Drake Mosier as a director.

<Page>

In May 2001, the Board of Directors approved a special, one time grant to our company's non-employee directors. Options to purchase 30,000 shares, vesting in three equal installments of 10,000 shares on May 14 in 2001, 2002 and 2003 were granted to Messrs. Meigher, Mosier, Sokoloff and Ziemba. Additional options to purchase 10,000 shares vesting immediately were granted to Mr. Meigher. The exercise price of all of these options were equal to the fair market value per share on the date of grant.

Executive Compensation

The following table sets forth the compensation for the three fiscal years ended December 31, 2001, for our Chief Executive Officer and each other executive officer whose compensation exceeded \$100,000 for the fiscal year ended December 31, 2001.

(1) In 2000, Mr. Barton was awarded a bonus of \$125,000 for services performed for our company and as an incentive for continued employment. One-half of the bonus was paid in 2000 and one-half was earned and paid in April 2001.

Compensation Arrangements for Current Executive Officers

Jonathan L. Steinberg does not have a written employment agreement and since 1997 he has received an annual base salary of \$230,000. In April 2002, our board of directors and Mr. Steinberg agreed that between April 16, 2002 and December 31, 2002, Mr. Steinberg would receive no cash salary and instead would be granted a ten-year option to purchase our company's Common Stock at an exercise price of \$0.05 per share (the fair market value of the Common Stock on the date of the grant), vesting in bimonthly installments, each installment of which would have a Black-Scholes value (calculated on the April 2002 grant date) equal to the amount of cash salary that Mr. Steinberg otherwise would have received. Pursuant to that agreement, in April 2002 Mr. Steinberg was granted

such an option for an aggregate of approximately 3.6 million shares, vesting bimonthly between April 30, 2002 and December 31, 2002, in installments of between approximately 208,000-216,000 shares. If all options granted April 2002 were to vest, the average consideration per option our company would have received (i.e., the amount of salary our company would have saved) by granting the option would be slightly above \$0.045. In the event that any such option is exercised, the average consideration per share our company would have received thus would be slightly above \$0.095 (the sum of the approximately \$0.045 in saved salary, plus the \$0.05 exercise price our company would receive) - an amount that is more than 90% greater than the fair market value of the Common Stock on the date of grant.

We employ Gregory E. Barton pursuant to a written employment agreement, which does not have a specific term of employment, and which provides for an annual base salary of \$200,000.

<page>

We employ Howard B. Lorch pursuant to a written employment agreement, which does not have a specific term of employment, and which provides for an annual base salary of \$140,000. In connection with the commencement of his employment, on January 1, 2001, Mr. Lorch was granted ten-year options to purchase 30,000 shares of common stock exercisable at \$0.4062 per share (the fair market value of the common stock on the date of the grant). The options vest as to 7,500 shares on January 1 in each of 2002, 2003, 2004 and 2005. In the event the company terminates Mr. Lorch's employment without cause within six months of a change in control, any shares of the options granted that would have vested due to the passage of time had he remained employed for an additional twelve months from the date of termination become immediately vested.

1996 Performance Equity Plan

In 1996, we adopted the 1996 Performance Equity Plan ("1996 Plan") covering 1,000,000 shares of our common stock, which is similar to our 1993 Plan, except that incentive options may only be granted until March 18, 2006. Our board of directors administers the Management Incentive Plan.

2000 Performance Equity Plan

In 2000, we adopted the 2000 Performance Equity Plan ("2000 Plan") covering 1,000,000 shares of our common stock, which is similar to our 1993 and 1996 Plans, except that incentive options may only be granted until June 21, 2010. Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our company's officers, directors and persons who beneficially own more than ten percent of a registered class of our company's equity securities ("ten-percent stockholders") to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and ten-percent stockholders also are required to furnish our company with copies of all Section 16(a) forms they file. Based solely on its review of the copies of such forms furnished to it, and written representations that no other reports were required, our company believes that during our company's fiscal year ended December 31, 2001, all its officers, directors and ten-percent stockholders complied with the Section 16(a) reporting requirements, except that Messrs. Meigher, Mosier, Sokoloff and Ziemba failed to timely file a Form 5 with respect to the May 2001 grant of options to non-employee directors.

PROPOSAL 2: TO APPROVE THE AMENDMENT TO OUR COMPANY'S
CERTIFICATE OF INCORPORATION TO CHANGE OUR
COMPANY'S NAME TO "INDEX DEVELOPMENT PARTNERS, INC."

In April 2002, the Board of Directors authorized an amendment to our company's certificate of incorporation to change our company's name to "Index Development Partners, Inc.," subject to stockholder approval at the Annual Meeting. In May 1993, our company changed its name to "Individual Investor Group, Inc.," to align our corporate name with the name of the monthly magazine we were publishing, Individual Investor magazine. Over the past year-and-half, our company has largely disposed of its media properties, selling InsiderTrader.com and Ticker magazine in September 2000, selling the subscription list of Individual Investor magazine in July 2001 and selling assets related to individualinvestor.com in November 2001 (we currently continue to publish Individual Investor's Special Situations Report newsletter). We believe that the future success of our company will depend upon the results of our efforts to license our family of stock indexes to companies interested in creating financial products based on our indexes. We currently maintain eight stock indexes, under our America's Fastest Growing Companies(R) brand: the America's Fastest Growing CompaniesSM SmallCap Index; the America's Fastest Growing CompaniesSM SmallCap Value Index; the America's Fastest Growing CompaniesSM MidCap Index; the America's Fastest Growing CompaniesSM MidCap Value Index; the America's Fastest Growing CompaniesSM LargeCap Index; the America's Fastest Growing CompaniesSM LargeCap Value Index; the America's Fastest Growing CompaniesSM Total Growth Index; and the America's Fastest Growing CompaniesSM Total Value Index.

Since we believe our current name, "Individual Investor Group, Inc.," may be associated with the print and online media properties that we formerly published, and since we expect our efforts to license the above indexes (and other indexes that we are in the process of developing) will be the primary focus of activities, we believe that it is appropriate to change our company's name to "Index Development Partners, Inc.," to align our corporate name with our mission.

<Page>

If the proposal is approved by our stockholders, a Certificate of Amendment to our certificate of incorporation will be filed as promptly as practicable thereafter and the name change will then become effective. Stockholders will not be required to exchange outstanding stock certificates for new certificates.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE
 "FOR" APPROVAL OF THE AMENDMENT TO OUR COMPANY'S
 CERTIFICATE OF INCORPORATION TO CHANGE OUR
 COMPANY'S NAME TO "INDEXDEVELOPMENT PARTNERS, INC."

OTHER MATTERS

The Board of Directors knows of no matter which will be presented for consideration at the Annual Meeting other than the matters referred to in this Proxy Statement. Should any other matter properly come before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote such proxy in accordance with their best judgment.
