Item 1.01 Entry into a Material Definitive Agreement.

SPA Agreement

In April 2018, WisdomTree International Holdings Ltd (“WTHL”), a subsidiary of WisdomTree, Inc. (the “Company”), acquired the European exchange-traded commodity, currency and leveraged-and-inverse business of ETFS Capital Limited (“ETFS”) through the acquisition of Electra Target HoldCo Limited (“ETH”) and its subsidiaries (the “2018 Acquisition”). In connection with the 2018 Acquisition, WTHL, ETH and ETFS entered into an agreement pursuant to which ETH agreed to make fixed payments to ETFS of physical gold bullion equating to 9,500 ounces of gold per year through March 31, 2058, which would then be reduced to 6,333 ounces of gold per year continuing into perpetuity (the “Contractual Gold Payments”), in order to enable ETFS to continue to meet its payment obligations under prior royalty agreements (the “historical royalty agreements”) that ETFS had with the World Gold Council (“WGC”), Gold Bullion Holdings (Jersey) Limited, a subsidiary of WGC (“GBH”), Graham Tuckwell (“GT”), and Rodber Investments Limited (“RIL”), an entity controlled by GT, who is also the Chairman of ETFS. ETH made the Contractual Gold Payments to ETFS, which then continued to pass through the payments to the other parties pursuant to the historical royalty agreements.

On May 10, 2023, the Company entered into and closed on a Sale, Purchase and Assignment Deed relating to the Contractual Gold Payments with WTHL, ETH, ETFS, WGC, GBH, GT and RIL (the “SPA Agreement”) to extinguish the Company’s obligations relating to the Contractual Gold Payments (the “Transaction”). Pursuant to the SPA Agreement, the Company issued 13,087 shares of Series C Non-Voting Convertible Preferred Stock, \$0.01 par value per share (the “Series C Preferred Shares”), which are convertible into 13,087,000 shares of the Company’s common stock (the “Conversion Shares”), and paid an aggregate of approximately \$50 million. The consideration paid pursuant to the SPA Agreement resulted in GBH receiving approximately \$4.4 million in cash and the Series C Preferred Shares, and RIL receiving approximately \$45.6 million in cash.

The SPA Agreement contains certain representations and warranties, covenants and conditions customary for similar transactions.

The foregoing description of the SPA Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the SPA Agreement, which is attached hereto as Exhibit 10.1 and is incorporated by reference in its entirety.

Investor Rights Agreement

On May 10, 2023, in connection with the Transaction and issuance of the Series C Preferred Shares, the Company and GBH entered into an Investor Rights Agreement (the “Investor Rights Agreement”), pursuant to which, among other things:

- *Restrictions on Transfer.* The Series C Preferred Shares are not transferable to any person other than an affiliate of GBH, the Company or an affiliate of the Company.
- *Conversion only in Connection with Sales.* As described in Item 5.03 below, under the Certificate of Designations (as defined below), all or any portion of the Series C Preferred Shares held by a holder may be converted into shares of common stock only in connection with the sale of all or any portion of such common stock on an arms-length basis by such holder to a bona fide third-party purchaser. Under the Investor Rights Agreement, GBH is subject to restrictions on the manner in which the Conversion Shares can be sold. Approved sales include specified block trades, underwritten shelf takedowns and other private placements, in each case, subject to and in accordance with the limitations set forth in the Investor Rights Agreement. GBH has agreed not to distribute or sell any Conversion Shares to any person that would knowingly result in that person, together with such person’s affiliates and associates, owning, controlling or otherwise having any beneficial ownership interest representing in the aggregate 5% or more of the then outstanding shares of the Company’s common stock. GBH also has agreed not to distribute or sell any Conversion Shares to ETFS, GT or any of their affiliates, associates or any Group (as that term is used in Section 13(d) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and as defined in Rule 13d-5 thereunder) formed by the foregoing persons.
- *Registration Rights.* Any time from the later of the filing of the Company’s Quarterly Report on Form10-Q for the quarter ended June 30, 2023 and August 15, 2023 (the “First Filing Date”) until the fifth anniversary of such date, GBH may request that the Company prepare and file a registration statement covering the resale of the Conversion Shares. In addition, from and after the First Filing Date, GBH may request to sell all or any portion of the Conversion Shares pursuant to specified block trades, underwritten shelf takedowns and other private placements, in each case, subject to and in accordance with the limitations set forth in the Investor Rights Agreement. Under the Investor Rights Agreement, GBH is also entitled to certain “piggyback” registration rights in connection with certain underwritten offerings of the Company’s common stock by the Company.
- *Amendment to Certificate of Incorporation or Certificate of Designations.* For so long as GBH holds the Conversion Shares, the Company will not amend its certificate of incorporation or the Certificate of Designations (as defined below) in any manner materially adverse to GBH without the written consent of GBH.

The foregoing description of the Investor Rights Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Investor Rights Agreement, which is attached hereto as Exhibit 4.1 and is incorporated by reference in its entirety.

Amendment to Stockholder Rights Agreement

The information set forth under “Item 3.03 Material Modification to Rights of Security Holders” of this Current Report on Form 8-K with respect to the entry into Amendment 2 to the Stockholder Rights Agreement (as described below) is incorporated into this Item 1.01 by reference in its entirety.

Item 3.02 Unregistered Sales of Equity Securities.

The information contained under “SPA Agreement” with respect to the Series C Preferred Shares in Item 1.01 above is incorporated by reference into this Item 3.02. The Series C Preferred Shares were sold in reliance on the exemptions provided by Section 4(a)(2) of the Securities Act of 1933, as amended (the “Securities Act”), and/or Regulation D promulgated thereunder.

Item 3.03 Material Modification to Rights of Security Holders.

The Company entered into an amendment, effective as of May 10, 2023 (“Amendment 2”), to the Stockholder Rights Agreement, dated as of March 17, 2023 (the “Stockholder Rights Agreement”), between the Company and Continental Stock Transfer & Trust Company, as Rights Agent, as amended by Amendment No. 1 thereto, dated as of May 4, 2023. Amendment 2 amends the Stockholder Rights Agreement by amending the definition of “Acquiring Person” in Section 1(a) of the Stockholder Rights Agreement to provide that the parties to the SPA Agreement will not be deemed to be an “Acquiring Person” solely by virtue of, or as a result of, the parties’ entry into the SPA Agreement, the issuance of the Series C Preferred Shares to GBH, and the performance or consummation of any of the other transactions contemplated by the SPA Agreement, among other conditions, under the terms and conditions set forth in Amendment 2.

The foregoing description of Amendment 2 does not purport to be complete and is qualified in its entirety by reference to the full text of Amendment 2, which is attached hereto as Exhibit 4.2 and is incorporated by reference in its entirety.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

Pursuant to the terms of the SPA Agreement, on May 10, 2023, the Company filed a Certificate of Designations of Series C Non-Voting Convertible Preferred Stock (the “Certificate of Designations”) with the Delaware Secretary of State establishing the rights, preferences and limitations relating to the Series C Preferred Shares. The Series C Preferred Shares are intended to provide GBH with economic rights equivalent to the Company’s common stock on an as converted basis. The Series C Preferred Shares have no voting rights, are not transferrable other than to an affiliate of GBH, the Company or an affiliate of the Company, and have the same priority with regard to dividends, distributions and payments as the common stock and the Series A non-voting convertible preferred stock.

In connection with the Transaction, the Company issued 13,087 Series C Preferred Shares, which are convertible into an aggregate of 13,087,000 shares of common stock, subject to certain restrictions described in this Item 5.03 and above under the heading “*Item 1.01 Entry Into a Material Definitive Agreement – Investor Rights Agreement.*”

Restrictions on Conversion of Series C Preferred Shares

The Series C Preferred Shares are convertible into 13,087,000 shares of the Company’s common stock, subject to the following restrictions:

- *Conversion only in Connection with Sales* Each Series C Preferred Share is convertible only in connection with the sale of all or any portion of the Company’s common stock on an arms-length basis by a holder of such Series C Preferred Shares to a bona fide third-party purchaser, pursuant to (i) an effective registration statement under the Securities Act or (ii) an exemption from registration under the Securities Act, provided any such sale is conditioned on the terms of the Investor Rights Agreement and the execution and delivery of documents as reasonably necessary to effectuate such sale.
- *Limitation on Beneficial Ownership.* As described in the Certificate of Designations, the Company will not issue, and GBH will not have the right to require the Company to issue, any shares of common stock upon conversion of the Series C Preferred Shares if, as a result of such conversion, GBH (together with its affiliates and certain attributable parties) would beneficially own in excess of 4.99% of the shares of the Company’s common stock outstanding immediately after giving effect to such conversion.
- *Exchange Cap.* As described in the Certificate of Designations, the Company will not issue any shares of common stock upon conversion of the Series C Preferred Shares if the issuance would exceed the aggregate number of shares of common stock that the Company may issue without breaching its obligations under the rules of the New York Stock Exchange, unless the Company obtains stockholder approval for the issuance of the Company’s common stock upon conversion of the Series C Preferred Shares in excess of such amount.

The foregoing description of the Certificate of Designations does not purport to be complete and is qualified in its entirety by reference to the full text of the Certificate of Designations, which is attached hereto as Exhibit 3.1 and is incorporated by reference in its entirety.

**CERTIFICATE OF DESIGNATIONS
OF
SERIES C NON-VOTING CONVERTIBLE PREFERRED STOCK
OF
WISDOMTREE, INC.**

WisdomTree, Inc., a corporation organized and existing under the General Corporation Law of the State of Delaware (the “**Corporation**”), hereby certifies that the following resolution was adopted by the Board of Directors of the Corporation (the “**Board of Directors**” or the “**Board**”) as required by Section 151 of the General Corporation Law of the State of Delaware at a meeting duly called and held on May 4, 2023:

RESOLVED, that pursuant to the authority granted to and vested in the Board of Directors in accordance with the Amended and Restated Certificate of Incorporation of the Corporation, as amended, the Board of Directors hereby creates a series of preferred stock, par value \$0.01 per share, of the Corporation designated as Series C Non-Voting Convertible Preferred Stock, and hereby states the designation and number of shares, and fixes the relative rights, preferences and limitations thereof as follows:

SERIES C NON-VOTING CONVERTIBLE PREFERRED STOCK

1. Designation and Number of Shares. There shall hereby be created and established a series of preferred stock of the Corporation designated as “Series C Non-Voting Convertible Preferred Stock” (the “**Series C Preferred Shares**”). The authorized number of Series C Preferred Shares shall be thirteen thousand eighty seven (**13,087**). Each Series C Preferred Share shall have a par value of \$0.01. Capitalized terms not defined herein shall have the meaning as set forth in Section 12 below.

2. Ranking. The Series C Preferred Shares shall rank junior with regard to dividends, distributions and payments to the Senior Stock and *pari passu* with regard to dividends, distributions and payments to the common stock of the Corporation and the preferred stock of the Corporation designated as Series A Non-Voting Convertible Preferred Stock (the “**Series A Preferred Shares**”) and any other class or series which provides that it is *pari passu* with the Series A Preferred Shares and Series C Preferred Shares.

3. Dividends. From and after the first date of issuance of any Series C Preferred Shares (the “**Initial Issuance Date**”), the holder of Series C Preferred Shares (“**Holder**”) shall be entitled to receive any dividends (“**Dividends**”) in accordance with Section 4(f) or Section 7 below.

4. Conversion: Change of Control. At any time after the Initial Issuance Date, each Series C Preferred Share shall be convertible into validly issued, fully paid and non-assessable shares of Common Stock (as defined below), on the terms and conditions set forth in this Section 4.

(a) **Holder's Conversion Right.** Subject to the provisions of Section 4(d), after the Initial Issuance Date, all or any portion of the outstanding Series C Preferred Shares held by Holder shall be converted into validly issued, fully paid and non-assessable shares of Common Stock, in accordance with Section 4(c) at the Conversion Rate (defined below), in connection with the sale of all or any portion of such Common Stock on an arms-length basis by Holder to a bona fide third party purchaser ("**Third Party Purchaser**") from time to time or at any time, pursuant to (i) an effective registration statement under the Securities Act of 1933, as amended (the "**Securities Act**"), or (ii) an exemption from registration promulgated under the Securities Act provided that any such sale shall be conditioned on the terms of the Investor Rights Agreement by and between the Corporation and the Holder dated as of May 10, 2023 (the "**Investor Rights Agreement**"), and provided further that any such sale shall be conditioned on the Holder executing and delivering to the Corporation such documents and items as reasonably requested by the Corporation in connection therewith and as are reasonably necessary to process or effectuate such sale. The Corporation shall not issue any fraction of a share of Common Stock upon any conversion. If the issuance would result in the issuance of a fraction of a share of Common Stock, the Corporation shall arrange for the disposition of such fractional share and payment to those entitled, or pay to those entitled the fair value of such fractional share in cash. Holder shall pay any and all transfer, stamp, issuance and similar taxes that may be payable with respect to any transfer of Series C Preferred Shares or transfer of any Common Stock issuable upon conversion of any Series C Preferred Shares.

(b) **Conversion Rate.** Each Series C Preferred Share shall be convertible into One Thousand (1,000) shares of Common Stock (the "**Conversion Rate**") upon any conversion pursuant to Section 4(a), subject to adjustment as provided herein:

(c) **Mechanics of Conversion.** The conversion of each Series C Preferred Share shall be conducted in the following manner:

(i) **Conversion.** To convert a Series C Preferred Share into shares of Common Stock pursuant to Section 4(a) on any date (a "**Conversion Date**"), Holder shall deliver (via electronic mail), for receipt on or prior to 11:59 p.m., New York time, on such date, a copy of an executed notice of conversion of the share(s) of Series C Preferred Shares subject to such conversion in the form attached hereto as **Exhibit I** (the "**Conversion Notice**") to the Corporation. If required by Section 4(c)(ii), within two (2) Trading Days following a conversion of any such Series C Preferred Shares as aforesaid, Holder shall surrender to the Corporation the original certificates, if any, representing the Series C Preferred Shares (the "**Preferred Share Certificates**") so converted as aforesaid (or an indemnification undertaking with respect to the Series C Preferred Shares in the case of its loss, theft or destruction as contemplated by Section 8(b)). On or before the first (1st) Trading Day following the date of receipt of a Conversion Notice, the Corporation shall transmit by electronic mail an acknowledgment of confirmation, in the form attached hereto as **Exhibit II**, of receipt of such Conversion Notice to Holder and the Corporation's transfer agent (the "**Transfer Agent**"), which confirmation shall constitute an instruction to the Transfer Agent to process such Conversion Notice in accordance with the terms herein. On or before the second (2nd) Trading Day following the date of receipt of a Conversion Notice (or such earlier date as required pursuant to the Exchange Act or other applicable law, rule or regulation for the

settlement of a trade initiated on the applicable Conversion Date of such shares of Common Stock issuable pursuant to such Conversion Notice), the Corporation shall (1) provided that the Transfer Agent is participating in The Depository Trust Corporation's ("DTC") Fast Automated Securities Transfer Program, credit such aggregate number of shares of Common Stock to which Third Party Purchaser shall be entitled to Third Party Purchaser's balance account with DTC through its Deposit/Withdrawal at Custodian system, or (2) if the Transfer Agent is not participating in the DTC Fast Automated Securities Transfer Program, issue and deliver (via reputable overnight courier) to the address as specified in such Conversion Notice, a certificate, registered in the name of Third Party Purchaser or its designee, for the number of shares of Common Stock to which Third Party Purchaser shall be entitled. If the number of Series C Preferred Shares represented by the Preferred Share Certificate(s) submitted for conversion pursuant to Section 4(c)(ii) is greater than the number of Series C Preferred Shares being converted, then the Corporation shall, as soon as practicable and in no event later than two (2) Trading Days after receipt of the Preferred Share Certificate(s) and at its own expense, issue and deliver to Holder a new Preferred Share Certificate (in accordance with Section 8(c)) representing the number of Series C Preferred Shares not converted.

(ii) **Registration; Book-Entry.** At the time of issuance of any Series C Preferred Shares hereunder, Holder may, by written request (including by electronic-mail) to the Corporation, elect to receive such Series C Preferred Shares in the form of one or more Preferred Share Certificates or in Book-Entry form. The Corporation (or the Transfer Agent, as custodian for the Series C Preferred Shares) shall maintain a register (the "**Register**") for the recordation of the name and address of Holder and whether the Series C Preferred Shares are held by Holder in Preferred Share Certificates or in Book-Entry form. The entries in the Register shall be conclusive and binding for all purposes absent manifest error. Each Preferred Share Certificate shall bear the following legend:

THE SHARES OF SERIES C NON-VOTING CONVERTIBLE PREFERRED STOCK REPRESENTED BY THIS CERTIFICATE ARE NOT TRANSFERABLE TO ANY PERSON, OTHER THAN THE ISSUER OR AN AFFILIATE OF THE ISSUER OR AN AFFILIATE OF THE HOLDER. THE NUMBER OF SHARES OF SERIES C NON-VOTING CONVERTIBLE PREFERRED STOCK REPRESENTED BY THIS CERTIFICATE MAY BE LESS THAN THE NUMBER OF SHARES OF SERIES C NON-VOTING CONVERTIBLE PREFERRED STOCK STATED ON THE FACE HEREOF PURSUANT TO SECTION 4(c)(ii) OF THE CERTIFICATE OF DESIGNATIONS RELATING TO THE SHARES OF SERIES C NON-VOTING CONVERTIBLE PREFERRED STOCK REPRESENTED BY THIS CERTIFICATE.

THE CORPORATION WILL FURNISH TO ANY STOCKHOLDER, UPON REQUEST AND WITHOUT CHARGE, A FULL STATEMENT OF THE DESIGNATIONS, POWERS, RIGHTS, PREFERENCES, QUALIFICATIONS, RESTRICTIONS AND LIMITATIONS OF THE SHARES OF EACH CLASS AND SERIES OF THE CAPITAL STOCK OF THE CORPORATION AUTHORIZED TO BE ISSUED SO FAR AS THE SAME HAVE BEEN DETERMINED. SUCH REQUEST MAY BE MADE TO THE SECRETARY OF THE CORPORATION.

(d) Limitation on Beneficial Ownership.

(i) Subject to paragraph 4(d)(ii), the Corporation shall not effect the conversion of any of the Series C Preferred Shares held by Holder, and Holder shall not have the right to convert any of the Series C Preferred Shares held by Holder pursuant to the terms and conditions of this Certificate of Designations and any such conversion shall be null and void and treated as if never made, to the extent that after giving effect to such conversion, Holder together with the other Attribution Parties collectively would beneficially own in excess of 4.99% (the "**Maximum Percentage**") of the shares of Common Stock outstanding immediately after giving effect to such conversion. For purposes of the foregoing sentence, the aggregate number of shares of Common Stock beneficially owned by Holder and the other Attribution Parties shall include the number of shares of Common Stock held by Holder and all other Attribution Parties plus the number of shares of Common Stock issuable upon conversion of the Series C Preferred Shares with respect to which the determination of such sentence is being made, but shall exclude shares of Common Stock which would be issuable upon (A) conversion of the remaining, nonconverted Series C Preferred Shares beneficially owned by Holder or any of the other Attribution Parties and (B) exercise or conversion of the unexercised or nonconverted portion of any other securities of the Corporation (including, without limitation, any convertible notes, convertible preferred stock or warrants) beneficially owned by Holder or any other Attribution Party subject to a limitation on conversion or exercise analogous to the limitation contained in this Section 4(d)(i). For purposes of this Section 4(d)(i), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act. For purposes of determining the number of outstanding shares of Common Stock Holder may acquire upon the conversion of such Series C Preferred Shares without exceeding the Maximum Percentage, Holder may rely on the number of outstanding shares of Common Stock as reflected in (x) the Corporation's most recent Annual Report on Form 10-K, Quarterly Report on Form 10-Q, Current Report on Form 8-K or other public filing with the SEC, as the case may be, (y) a more recent public announcement by the Corporation or (z) any other written notice by the Corporation or the

Transfer Agent, if any, setting forth the number of shares of Common Stock outstanding (the “**Reported Outstanding Share Number**”). If the Corporation receives a Conversion Notice from Holder at a time when the actual number of outstanding shares of Common Stock is less than the Reported Outstanding Share Number, the Corporation shall notify Holder in writing of the number of shares of Common Stock then outstanding and, to the extent that such Conversion Notice would otherwise cause Holder’s and the other Attribution Parties’ beneficial ownership, as determined pursuant to this Section 4(d)(i), to exceed the Maximum Percentage, Holder must notify the Corporation of a reduced number of shares of Common Stock to be purchased pursuant to such Conversion Notice. For any reason at any time, upon the written request of Holder, the Corporation shall within two (2) Business Days confirm orally and in writing or by electronic mail to Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of securities of the Corporation, including such Series C Preferred Shares, by Holder and any other Attribution Party since the date as of which the Reported Outstanding Share Number was reported. In the event that the issuance of shares of Common Stock to Holder upon conversion of such Series C Preferred Shares results in Holder and the other Attribution Parties being deemed to beneficially own, in the aggregate, more than the Maximum Percentage of the number of outstanding shares of Common Stock (as determined under Section 13(d) of the Exchange Act), the conversion of the number of shares so issued by which Holder’s and the other Attribution Parties’ aggregate beneficial ownership exceeds the Maximum Percentage (the “**Excess Shares**”) shall be deemed null and void and shall be treated as if never made, and neither Holder nor the other Attribution Parties shall have the power to vote or to transfer the Excess Shares. For purposes of clarity, the shares of Common Stock issuable to Holder pursuant to the terms of this Certificate of Designations in excess of the Maximum Percentage shall not be deemed to be beneficially owned by Holder together with the other Attribution Parties for any purpose including for purposes of Section 13(d) or Rule 16a-1(a)(1) of the Exchange Act. No prior inability to convert such Series C Preferred Shares pursuant to this paragraph shall have any effect on the applicability of the provisions of this paragraph with respect to any subsequent determination of convertibility. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 4(d)(i) to the extent necessary to correct this paragraph (or any portion of this paragraph) which may be defective or inconsistent with the intended beneficial ownership limitation contained in this Section 4(d)(i) or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitation contained in this paragraph may not be waived.

(ii) Principal Market Regulation. The Corporation shall not issue any shares of Common Stock upon conversion of any Series C Preferred Shares or otherwise pursuant to the terms of this Certificate of Designations if the issuance of such shares of Common Stock would exceed the aggregate number of shares of Common Stock which the Corporation may issue upon conversion of the Series C

Preferred Shares under Rule 312.03(b) or (c) of the listing rules of the New York Stock Exchange (the number of shares which may be issued without violating such rule, the “**Exchange Cap**”), except that such limitation shall not apply in the event that the Corporation obtains the approval of its stockholders as required by the applicable rules of the New York Stock Exchange for issuances of shares of Common Stock in excess of such amount (the “**New York Stock Exchange Approval**”).

(e) Change of Control. If at any time on or after the Initial Issuance Date a Change of Control is consummated, the Holder will be entitled to be paid such amount per Series C Preferred Share as would have been payable in respect of each Series C Preferred Share outstanding immediately prior to the consummation of such Change of Control had each such Series C Preferred Share been converted into Common Stock pursuant to Section 4(a) immediately prior to the consummation of such Change of Control (the “**Change of Control Payment**”).

(f) Adjustment of Conversion Rate upon Subdivision or Combination of Common Stock or Fundamental Transaction

(i) Without limiting any provision of Section 7, if the Corporation at any time on or after the Initial Issuance Date subdivides (by any stock split, stock dividend, stock combination, recapitalization or other similar transaction) one or more classes of its outstanding shares of Common Stock into a greater number of shares, the Conversion Rate in effect immediately prior to such subdivision will be proportionately increased. Without limiting any provision of Section 7, if the Corporation at any time on or after the Initial Issuance Date combines (by any stock split, stock dividend, stock combination, recapitalization or other similar transaction) one or more classes of its outstanding shares of Common Stock into a smaller number of shares, the Conversion Rate in effect immediately prior to such combination will be proportionately decreased. Any adjustment pursuant to this Section 4(f) shall become effective immediately after the effective date of such subdivision or combination.

(ii) If at any time, or from time to time, on or after the Initial Issuance Date a Fundamental Transaction is consummated (other than a Change of Control) in such a way that holders of Common Stock shall be entitled to receive stock, securities, cash or assets with respect to or in exchange for Common Stock, then, as a condition of such Fundamental Transaction, lawful and adequate provisions shall be made whereby the Holder shall have the right to receive for each share of Common Stock that would have been issuable upon conversion of the Series C Preferred Shares pursuant to this Certificate of Designations immediately prior to the consummation of such Fundamental Transaction (without taking into account any limitations or restrictions on the convertibility of the Series C Preferred Shares), the kind and amount of stock, securities, cash or assets receivable as a result of such Fundamental Transaction by a holder of the number of shares of

Common Stock into which the Series C Preferred Shares are convertible pursuant to this Certificate of Designations immediately prior to such Fundamental Transaction (without taking into account any limitations or restrictions on the convertibility of the Series C Preferred Shares).

5. Voting Rights. Subject to Section 13, the Holder of Series C Preferred Shares shall have no voting rights.

6. Liquidation, Dissolution, Winding-Up. In the event of a Liquidation Event, Holder shall be entitled to receive in cash out of the assets of the Corporation, whether from capital or from earnings available for distribution to its stockholders, after any amount that is required to be paid to the Senior Stock, the amount per share Holder would receive if Holder converted all of the Series C Preferred Shares held by Holder into Common Stock immediately prior to the date of such payment.

7. Distribution of Assets. GBH shall reimburse, as and when incurred, any legal or other expenses reasonably incurred by any Person intended to be indemnified pursuant to this Section 2.8(b), in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the indemnity agreement contained in this Section 2.8(b) shall not apply to amounts paid in settlement of any such loss, claim, damage, liability or action if such settlement is effected without consent of GBH, which consent shall not be unreasonably withheld; provided, further, that, other than with respect to Section 2.8(b)(ii), the total amount to be indemnified shall be limited to the net proceeds (after deducting the underwriting discounts and commissions) received by GBH in the offering to which the registration statement or Prospectus relates.

(c) Promptly after receipt by an indemnified party under this Section 2.8 of notice of the commencement of any action (including any action by a Governmental Authority), such indemnified party shall, if a claim in respect thereof is to be made against any indemnifying party under this Section 2.8, deliver to the indemnifying party a written notice of the commencement thereof and the indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume the defense thereof with counsel mutually satisfactory to the parties; provided, however, that an indemnified party shall have the right to retain its own counsel, with the reasonable fees and expenses to be paid by the indemnifying party, if representation of such indemnified party by the counsel retained by the indemnifying party would be inappropriate due to actual or potential differing interests between such indemnified party and any other party represented by such counsel in such proceeding. The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any such action shall not relieve such indemnifying party of any liability to the indemnified party under this Section 2.8 except to the extent that the indemnifying party would be prejudiced as a result of such failure, but the omission so to deliver written notice to the indemnifying party shall not relieve it of any liability that it may have to any indemnified party otherwise than under this Section 2.8.

(d) In order to provide for just and equitable contribution to joint liability in any case in which a claim for indemnification is made pursuant to this Section 2.8 but it is judicially determined (by the entry of a final judgment or decree by a court of competent jurisdiction and the expiration of time to appeal or the denial of the last right of appeal) that such indemnification may not be enforced in such case notwithstanding the fact that this Section 2.8 provided for indemnification in such case, the Company and GBH shall contribute to the aggregate losses, claims, damages or liabilities to which they may be subject (after contribution from others) in proportion to the relative fault of the Company, on the one hand, and GBH, on the other hand in connection with the statements or omissions which result in such losses, claims, damages liabilities, or expenses as well as any other relevant equitable considerations. The relative fault of the indemnifying party on the one hand and of the indemnified party on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the indemnifying party or by the indemnified party, and by such Person's relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission; provided, however, that in any such case, no Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation; provided further, however, that in no event shall any contribution under this Section 2.8(d) on the part of GBH exceed the net proceeds (after deducting the underwriting discounts and commissions) received by GBH from the sale of Registrable Securities giving rise to such contribution obligation, except in the case of Section 2.8(b)(ii) or willful misconduct or fraud by GBH, which has been determined in a final adjudication to which GBH has no further rights of appeal.

(e) The obligations of the Company and GBH under this Section 2.8 shall survive the completion of any offering of Registrable Securities in a registration statement under this Agreement and otherwise.

2.9 SEC Reports. With a view to making available to GBH the benefits of Rule 144 under the Securities Act and any other rule or regulation of the SEC that may at any time permit GBH to sell Registrable Securities of the Company to the public without registration, the Company agrees to at any time that it is a reporting company under Section 13 or 15(d) of the Exchange Act:

(a) file with the SEC in a timely manner all reports and other documents required of the Company under the Exchange Act; and

(b) furnish to GBH, so long as GBH owns any Registrable Securities, forthwith upon request (i) a written statement by the Company that it has complied with the reporting requirements of the Exchange Act, (ii) a copy of the most recent annual or quarterly report of the Company and such other reports and documents so filed by the Company, and (iii) such other information as may be reasonably requested in availing any Holder of any rule or regulation of the SEC (exclusive of Rule 144A) which permits the selling of any Registrable Securities without registration.

2.10 Termination of Registration Rights. Except for Section 2.8, which shall survive until the expiration of any applicable statutes of limitation, Section 2 shall terminate automatically and have no further force or effect upon the expiration of the Registration Rights Term.

3. Company Covenants.

3.1 Company Information. For so long as GBH holds Registrable Securities, the Company shall deliver a copy of its Annual Report on Form 10-K, Quarterly Report on Form 10-Q and any Current Report on Form 8-K filed by the Company with the SEC promptly following the filing date of such reports.

3.2 Amendment to Certificate of Incorporation or Certificate of Designations. For so long as GBH holds Registrable Securities, the Company will not amend its certificate of incorporation or the Certificate of Designations in any manner materially adverse to GBH without the written consent of GBH.

5.3 Current Public Information. For so long as GBH holds Registrable Securities, the Company, during any period in which it is not subject to and in compliance with Section 13 or 15(d) of the Exchange Act or it is not exempt from such reporting requirements pursuant to and in compliance with Rule 12g3-2(b) under the Exchange Act, will provide to GBH and to each prospective Third Party purchaser (as designated by GBH) of such Registrable Securities, upon the request of GBH or prospective Third Party purchaser, any information required to be provided by Rule 144A(d)(4) under the Securities Act. This covenant is intended to be for the benefit of the GBH and the prospective Third Party purchasers designated by GBH, from time to time of such Registrable Securities.

4. Miscellaneous.

4.1 Governing Law; Submission to Jurisdiction. This Agreement shall be construed and enforced in accordance with, and all questions concerning the construction, validity, interpretation and performance of this Agreement shall be governed by, the internal laws of the State of Delaware, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of Delaware or any other jurisdictions) that would cause the application of the laws of any jurisdictions other than the State of Delaware. Each of the Company and GBH hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in the city of New York, Borough of Manhattan, for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. THE COMPANY AND GBH HEREBY IRREVOCABLY WAIVE ANY RIGHT IT MAY HAVE TO, AND AGREES NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR IN CONNECTION WITH OR ARISING OUT OF THIS AGREEMENT OR ANY TRANSACTION CONTEMPLATED HEREBY.

4.2 Waiver. Waiver by a party of a breach hereunder by another party shall not be construed as a waiver of any subsequent breach of the same or any other provision. No delay or omission by a party in exercising or availing itself of any right, power or privilege hereunder shall preclude the later exercise of any such right, power or privilege by such party. No waiver shall be effective unless made in writing with specific reference to the relevant provision(s) of this Agreement and signed by a duly authorized representative of the party granting the waiver.

4.3 Notices. All notices, instructions and other communications hereunder or in connection herewith shall be in writing, shall be sent to the address of the relevant party set forth on Exhibit B attached hereto and shall be (a) delivered personally, (b) sent by registered or certified mail, return receipt requested, postage prepaid, (c) sent via a reputable nationwide overnight courier service or (d) sent by electronic mail, with a confirmation copy to be sent by registered or certified mail, return receipt requested, postage prepaid. Any such notice, instruction or communication shall be deemed to have been delivered upon receipt if delivered by hand, three (3) Business Days after it is sent by registered or certified mail, return receipt requested, postage prepaid, one (1) Business Day after it is sent via a reputable nationwide overnight courier service or when transmitted with electronic confirmation of receipt, if transmitted by electronic mail (if such transmission is made during regular business hours of the recipient on a Business Day; or otherwise, on the next Business Day following such transmission). Any party may change its address by giving notice to the other parties in the manner provided above.

4.4 Entire Agreement. This Agreement, the Purchase Agreement and the Certificate of Designations contain the entire agreement among the parties with respect to the subject matter hereof and thereof and supersede all prior and contemporaneous arrangements or understandings, whether written or oral, with respect hereto and thereto.

4.5 Amendments. No provision in this Agreement shall be supplemented, deleted or amended except in a writing executed by an authorized representative of each of the parties hereto.

4.6 Headings; Nouns and Pronouns; Section References. Headings in this Agreement are for convenience of reference only and shall not be considered in construing this Agreement. Whenever the context may require, any pronouns used herein shall include the corresponding masculine, feminine or neuter forms, and the singular form of names and pronouns shall include the plural and vice-versa. References in this Agreement to a section or subsection shall be deemed to refer to a section or subsection of this Agreement unless otherwise expressly stated.

4.7 Severability. If, under applicable Laws, any provision hereof is invalid or unenforceable, or otherwise directly or indirectly affects the validity of any other material provision(s) of this Agreement in any jurisdiction (“**Modified Clause**”), then, it is mutually agreed that this Agreement shall endure and that the Modified Clause shall be enforced in such jurisdiction to the maximum extent permitted under applicable Laws in such jurisdiction; provided, that the parties shall consult and use all reasonable efforts to agree upon, and hereby consent to, any valid and enforceable modification of this Agreement as may be necessary to avoid any unjust enrichment of either party and to match the intent of this Agreement as closely as possible, including the economic benefits and rights contemplated herein.

4.8 Assignment. Neither this Agreement nor any rights or duties of a party hereto may be assigned by such party, in whole or in part, without (a) the prior written consent of the Company in the case of any assignment by GBH; or (b) the prior written consent of GBH in the case of an assignment by the Company. The rights under this Agreement may be assigned (but only with all related obligations) by GBH to a transferee of Registrable Securities that (i) is an Affiliate of GBH; provided, however, that (x) the Company is, at least five (5) Business Days prior such transfer, furnished with written notice of the name and address of such transferee and the Registrable Securities with respect to which such rights are being transferred and evidence satisfactory to the Company that such transferee is an Affiliate of GBH; and (y) such transferee agrees in a written instrument delivered to the Company to be bound by and subject to the terms and conditions of this Agreement.

4.9 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns.

4.10 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original but which together shall constitute one and the same instrument.

4.11 Third Party Beneficiaries. None of the provisions of this Agreement shall be for the benefit of or enforceable by any third party other than pursuant to Section 2.8. Except with respect to Section 2.8, no third party shall obtain any right under any provision of this Agreement or shall by reason of any such provision make any claim in respect of any debt, liability or obligation (or otherwise) against any party hereto.

4.12 No Strict Construction. This Agreement has been prepared jointly and will not be construed against any party.

4.13 Remedies. The rights, powers and remedies of the parties under this Agreement are cumulative and not exclusive of any other right, power or remedy which such parties may have under any other agreement or Law. No single or partial assertion or exercise of any right, power or remedy of a party hereunder shall preclude any other or further assertion or exercise thereof.

4.14 Specific Performance. The Company and GBH hereby acknowledge and agree that the rights of the parties hereunder are special, unique and of extraordinary character, and that if any party refuses or otherwise fails to act, or to cause its Affiliates to act, in accordance with the provisions of this Agreement, such refusal or failure would result in irreparable injury to the Company or GBH, as the case may be, the exact amount of which would be difficult to ascertain or estimate and the remedies at law for which would not be reasonable or adequate compensation. Accordingly, if any party refuses or otherwise fails to act, or to cause its Affiliates to act, in accordance with the provisions of this Agreement, then, in addition to any other remedy which may be available to any damaged party at law or in equity, such damaged party will be entitled to seek specific performance and injunctive relief, without posting bond or other security, and without the necessity of proving actual or threatened damages, which remedy such damaged party will be entitled to seek in any court of competent jurisdiction.

4.15 No Conflicting Agreements. GBH hereby represents and warrants to the Company that, other than with respect to the Existing Registration Rights Agreement, it is not, as of the date of this Agreement, a party to, and agrees that, it shall not, on or after the date of this Agreement, enter into any agreement that conflicts with the rights granted to the Company in this Agreement. The Company hereby represents and warrants to GBH that it is not, as of the date of this Agreement, a party to, and further agrees with GBH that it shall not, on or after the date of this Agreement, enter into, any agreement that conflicts with the rights granted to GBH in this Agreement, in each case, other than with respect to the Existing Registration Rights Agreement, or enter into any agreement that contains registration rights which are more favorable than the rights granted hereunder unless any such more favorable rights are concurrently added to the rights granted hereunder. The Company further represents and warrants that the rights granted to GBH hereunder do not in any way conflict with the rights granted to any other holder of the Company's securities under any other agreements in effect as of the date of this Agreement, other than with respect to the Existing Registration Rights Agreement.

No party hereto may raise the use of such electronic execution or transmission to deliver a signature, or the fact that any signature or agreement or instrument was transmitted or communicated through such electronic transmission, as a defense to the formation of a contract, and each party forever waives any such defense, except to the extent such defense relates to lack of authenticity.

 - (8) **GRAHAM TUCKWELL** of [Redacted] (“**GT**”)
- (together, the “**Parties**” and each a “**Party**”).

BACKGROUND

- (A) ETFS, WGC, GBH and GT are parties to certain 2008 Agreements (as defined below), pursuant to which ETFS acquired certain gold-backed exchange-traded commodities funds from GBH, in consideration for which ETFS agreed to make certain fixed and variable payments in gold bullion to GBH, WGC and GT.
- (B) ETFS, WGC, GBH and GT entered into the 2011 Agreement (as defined below) pursuant to which ETFS agreed to make the following fixed and variable payments in gold bullion to WGC, GBH and GT in settlement of various previously outstanding obligations between ETFS and WGC, GBH and GT: (i) a fixed annual amount of 9,500 ounces of Unallocated Gold, payable semi-annually to GBH and GT up to 31 March 2058, in the proportions two thirds and one third respectively (“**Royalty Gold Receivable 1**”); and (ii) a variable annual amount of originally 6,556.664 ounces of Unallocated Gold, but which, following an agreement made between ETFS, GBH, WGC and GT dated 28 July 2020 (pursuant to which the right for WGC to receive 19,444 ounces of Unallocated Gold per month from December 2057 and continuing in perpetuity was waived by WGC (the “**2020 Agreement**”)), is currently 6,333.333 ounces of Unallocated Gold per annum, payable in monthly instalments of 527.778 ounces of Unallocated Gold per month to WGC commencing in December 2057 and continuing in perpetuity (“**Royalty Gold Receivable 2**”).
- (C) GT assigned all of his right and interest in Royalty Gold Receivable 1 to Investor Resources International Limited (now dissolved) (“**IRI**”) on or about 25 November 2010, and IRI subsequently assigned all of its right and interest in Royalty Gold Receivable 1 to RIL on or about 10 January 2012. RIL is directly or indirectly controlled by GT.

- (D) On 11 April 2018, WTHL acquired ETFS's European exchange traded commodities business through the acquisition of the share capital of ETH and its subsidiaries. In connection with that transaction, ETH, ETFS and WTHL entered into a gold royalty agreement dated 11 April 2018 (the "**Gold Royalty Agreement**") pursuant to which ETH agreed to make the following payments in gold bullion to ETFS to enable ETFS to continue to meet its obligations under the 2011 Agreement: (i) an annual amount of 9,500 ounces of Unallocated Gold (as defined below) from the Electra Completion Date (as defined below) until 31 March 2058; and (ii) an annual amount of 6,333.333 ounces of Unallocated Gold from December 2057 and continuing in perpetuity (together, the "**ETFS Royalty Gold Receivables**").
- (E) WT is the ultimate parent company of ETH, and its common stock is publicly traded on the New York Stock Exchange.
- (F) The Parties have now agreed that, subject to and on the terms of this Deed: (i) ETFS shall sell and assign the ETFS Royalty Gold Receivables to ETH and ETH shall purchase the ETFS Royalty Gold Receivables from ETFS and accept such assignment; (ii) GBH and GT shall each severally sell and assign their respective entitlement of the Royalty Gold Receivable 1 to ETFS and ETFS shall purchase Royalty Gold Receivable 1 and accept such assignment; and (iii) WGC shall sell and assign Royalty Gold Receivable 2 to ETFS and ETFS shall purchase Royalty Gold Receivable 2 and accept such assignment (the "**Transactions**"), in each case in exchange for the payment of certain cash consideration, as described more fully below, and the issuance by WT to GBH of the WT Shares (as defined below) in partial payment for the Assignments (as defined below) (other than Assignment 2b).
- (G) The Parties acknowledge and confirm that the value of the Transactions is: (i) \$136,902,602 for purchase by ETH of the ETFS Royalty Gold Receivables from ETFS; (ii) \$136,902,601 for purchase by ETFS of the Royalty Gold Receivable 1 from GBH and RIL, with the proceeds to be split as to \$91,268,400 to GBH and \$45,634,201 as to RIL; and (iii) \$1 for purchase by ETFS of the Royalty Gold Receivable 2 from WGC.

- 4.4 In reliance on clauses 4.6 and 4.7 below, each of WT and ETH warrants to ETFS, GBH and RIL that (i) it is solely tax resident in the United States of America (in the case of WT) and Jersey (in the case of ETH) and has no taxable permanent establishment, place of business or other taxable presence in any other jurisdiction; and (ii) it is not required to apply any withholding or deductions under the tax laws of Jersey, Australia, the United Kingdom or the United States of America in relation to any part of the Consideration payable by WT or ETH to ETFS, GBH and/or RIL pursuant to the Transaction Documents, provided that this warranty shall:

 - (b) apply only for as long as, and to the extent that, ETFS and RIL are solely tax resident in Australia, and GBH is solely tax resident in Jersey;
 - (c) not extend to any payments in respect of the WT Shares (including, for the avoidance of doubt, dividends in respect thereof) following their issuance by WT to GBH; and

- 4.5 In reliance on clause 4.7, ETFS warrants to WT, ETH and GBH that it is solely tax resident in Australia, that it has no taxable permanent establishment, place of business or other taxable presence in any other jurisdiction, and that it is not required to apply any withholding or deductions under the tax laws of Jersey, Australia, the United Kingdom or the United States of America in relation to any monetary payments or other transmissions of value to or in favour of GBH or RIL pursuant to the Transaction Documents, provided that this warranty shall:

- 4.6 ETFS warrants to WT, ETH, GBH and RIL that no part of any monetary payments or other transmissions of value from ETFS to or in favour of GBH and/or RIL (as applicable) (including the issuance of the WT Shares by WT to GBH) pursuant to the Transaction Documents comprises any dividend, interest, royalty or other payment item subject to Australian withholding tax.
- 4.7 GBH warrants to WT, ETH and ETFS that it is solely tax resident in Jersey and confirms that it will not treat the GBH Consideration or the WT Shares it receives pursuant to the Transaction Documents as the receipt of interest, dividends or royalties.
- 4.8 GBH and ETH hereby agree and acknowledge that dividends paid or declared on the WT Shares will be subject to US withholding tax at a rate of 30%, until and unless appropriate documentation evidencing (to WT's reasonable satisfaction) the applicability of a different rate of taxation has been provided to WT with reasonable notice prior to such dividend being paid or declared. 16. ASSIGNMENT

16.1 Subject to clauses 16.2 and 16.3, no Party shall be entitled to assign, transfer or create any trust in respect of the benefit or burden of any provision of this Deed (or any other Transaction Documents) without the prior written consent of each of the other Parties, provided that in respect of the Investor Rights Agreement, only the prior written consent of each of WT and GBH shall be required.

- 20.2 Each of the Parties acknowledges and agrees that it has not entered into this Deed in reliance on any statement or representation of any person (whether a party to this Deed or not) other than as expressly incorporated in this Deed and the documents referred to or incorporated in this Deed.
- 20.3 Without limiting the generality of the foregoing, each of the Parties irrevocably and unconditionally waives any right or remedy it may have to claim damages and/or to rescind this Deed by reason of any misrepresentation (other than a fraudulent misrepresentation) having been made to it by any person (whether a party to this Deed or not) and upon which it has relied in entering into this Deed.
- 20.4 Nothing contained in this Deed or in any other document referred to or incorporated in it shall be read or construed as excluding any liability or remedy as a result of fraud.

21. **SEVERANCE**

- 21.1 If any provision or part-provision of this Deed is or becomes invalid, illegal or unenforceable, it shall be deemed deleted, but that shall not affect the validity and enforceability of the rest of this Deed.

IN WITNESS whereof this Deed has been duly executed as a deed and is intended to be and is delivered as a deed on the date first written above.

Forward looking statements

This presentation contains forward-looking statements that are based on our management's beliefs and assumptions and on information currently available to our management. Although we believe that the expectations reflected in these forward-looking statements are reasonable, these statements relate to future events or our future financial performance, and involve known and unknown risks, uncertainties and other factors that may cause our actual results, levels of activity, performance or achievements to be materially different from any future results, levels of activity, performance or achievements expressed or implied by these forward-looking statements. In some cases, you can identify forward-looking statements by terminology such as "may," "will," "should," "expects," "intends," "plans," "anticipates," "believes," "estimates," "predicts," "potential," "continue" or the negative of these terms or other comparable terminology. These statements are only predictions. You should not place undue reliance on forward-looking statements because they involve known and unknown risks, uncertainties and other factors, which are, in some cases, beyond our control and which could materially affect results. Factors that may cause actual results to differ materially from current expectations include, among other things, the risks described below. If one or more of these or other risks or uncertainties occur, or if our underlying assumptions prove to be incorrect, actual events or results may vary significantly from those implied or projected by the forward-looking statements. No forward-looking statement is a guarantee of future performance. You should read this presentation completely and with the understanding that our actual future results may be materially different from any future results expressed or implied by these forward-looking statements.

In particular, forward-looking statements in this presentation may include statements about: the potential effects of the Gold Royalty Buyout transaction on WisdomTree's earnings per share, net income, operating income, operating margin, interest income, dilution and the price of its common stock.

Our business is subject to many risks and uncertainties, including without limitation:

- declining prices of securities, gold and other precious metals and other commodities and changes in interest rates and general market conditions can adversely affect our business by reducing the market value of the assets we manage or causing WisdomTree ETP investors to sell their fund shares and trigger redemptions;
- fluctuations in the amount and mix of our AUM, whether caused by disruptions in the financial markets or otherwise, including but not limited to a pandemic event such as COVID-19, or the war in Ukraine, may negatively impact revenues and operating margins, and may impede our ability to refinance our debt upon maturity or increase the cost of borrowing upon a refinancing;
- competitive pressures could reduce revenues and profit margins;
- we derive a substantial portion of our revenues from a limited number of products, and as a result, our operating results are particularly exposed to investor sentiment toward investing in the products' strategies and our ability to maintain the AUM of these products, as well as the performance of these products and market-specific and political and economic risk;
- a significant portion of our AUM is held in products with exposure to U.S. and international developed markets and we therefore have exposure to domestic and foreign market conditions and are subject to currency exchange rate risks;
- withdrawals or broad changes in investments in our ETPs by investors with significant positions may negatively impact revenues and operating margins;
- we face increased operational, regulatory, financial and other risks as a result of conducting our business internationally;
- many of our ETPs have a limited track record, and poor investment performance could cause our revenues to decline;
- we depend on third parties to provide many critical services to operate our business and our ETPs. The failure of key vendors to adequately provide such services could materially affect our operating business and harm WisdomTree ETP investors; and
- actions of activist stockholders against us have been costly and may be disruptive and cause uncertainty about the strategic direction of our business.

Other factors, such as general economic conditions, including currency exchange rate fluctuations, also may have an effect on the results of our operations. For a more complete description of the risks noted above and other risks that could cause our actual results to differ from our current expectations, see "Risk Factors" in our Annual Report on Form 10-K for the year ended December 31, 2022.

The forward-looking statements in this presentation represent our views as of the date of this presentation. We anticipate that subsequent events and developments may cause our views to change. However, while we may elect to update these forward-looking statements at some point in the future, we have no current intention of doing so except to the extent required by applicable law. Therefore, these forward-looking statements do not represent our views as of any date other than the date of this presentation.

Non-GAAP financial measurements

In an effort to provide additional information regarding our results as determined by GAAP, we also disclose certain non-GAAP information which we believe provides useful and meaningful information. Our management reviews these non-GAAP financial measurements when evaluating our financial performance and results of operations; therefore, we believe it is useful to provide information with respect to these non-GAAP measurements so as to share this perspective of management. Non-GAAP measurements do not have any standardized meaning, do not replace nor are superior to GAAP financial measurements and are unlikely to be comparable to similar measures presented by other companies. These non-GAAP financial measurements should be considered in the context with our GAAP results. The non-GAAP financial measurements contained in this release include:

- *Adjusted operating income, operating expenses, income before income taxes, income tax expense, net income and diluted earnings per share.* We disclose adjusted operating income, operating expenses, income before income taxes, income tax expense, net income and diluted earnings per share as non-GAAP financial measurements in order to report our results exclusive of items that are non-recurring or not core to our operating business. We believe presenting these non-GAAP financial measurements provides investors with a consistent way to analyze our performance. These non-GAAP financial measurements exclude the following:
 - *Unrealized gains or losses on the revaluation of deferred consideration:* Deferred consideration is an obligation we assumed in connection with the ETFS acquisition that is carried at fair value. This item represents the present value of an obligation to pay fixed ounces of gold into perpetuity and is measured using forward-looking gold prices. Changes in the forward-looking price of gold and changes in the discount rate used to compute the present value of the annual payment obligations may have a material impact on the carrying value of the deferred consideration and our reported financial results. We exclude this item when calculating our non-GAAP financial measurements as it is not core to our operating business. The item is not adjusted for income taxes as the obligation was assumed by a wholly-owned subsidiary of ours that is based in Jersey, a jurisdiction where we are subject to a zero percent tax rate.
 - *Gains or losses on financial instruments owned:* We account for our financial instruments owned as trading securities which requires these instruments to be measured at fair value with gains and losses reported in net income. In the third quarter of 2021, we began excluding these items when calculating our non-GAAP financial measurements as these securities have become a more meaningful percentage of total assets and the gains and losses introduce volatility in earnings and are not core to our operating business.
 - *Tax windfalls and shortfalls upon vesting and exercise of stock-based compensation awards:* GAAP requires the recognition of tax windfalls and shortfalls within income tax expense. These items arise upon the vesting and exercise of stock-based compensation awards and the magnitude is directly correlated to the number of awards vesting/exercised as well as the difference between the price of our stock on the date the award was granted and the date the award vested or was exercised. We exclude these items when calculating our non-GAAP financial measurements as they introduce volatility in earnings and are not core to our operating business.
 - *Other items:* Loss on extinguishment of our convertible notes, impairments, remeasurement of consideration payable to us from the sale of our former Canadian ETF business, unrealized gains and losses recognized on our investments, changes in the deferred tax asset valuation allowance and expenses incurred in response to an activist campaign are excluded when calculating our non-GAAP financial measurements.
- *Adjusted effective income tax rate.* We disclose our adjusted effective income tax rate as a non-GAAP financial measurement in order to report our effective income tax rate exclusive of items that are non-recurring or not core to our operating business. We believe reporting our adjusted effective income tax rate provides investors with a consistent way to analyze our income taxes. Our adjusted effective income tax rate is calculated by dividing adjusted income tax expense by adjusted income before income taxes. See above for information regarding the items that are excluded.
- *Gross margin and gross margin percentage.* We disclose our gross margin and gross margin percentage as non-GAAP financial measurements because we believe they provide investors with a consistent way to analyze the amount we retain after paying third-party service providers to operate our ETPs. These measures also assist us in analyzing the profitability of our products. We define gross margin as total operating revenues less fund management and administration expenses. Gross margin percentage is calculated as gross margin divided by total operating revenues.

*Transaction Valued at ~\$137 Million
(\$50 Million in Cash and Non-Voting Preferred Shares Convertible into 13.1 Million Shares of WisdomTree Common Stock)*

WisdomTree will Host a Call on Wednesday, May 10th at 6:00 p.m. ET to Discuss the Transaction

NEW YORK, May 10, 2023 – WisdomTree, Inc. (NYSE: WT) (“WisdomTree” or the “Company”), a global financial innovator, today announced the closing of a transaction resulting in a full resolution of WisdomTree’s contractual gold payments obligation to ETFs Capital Limited (“ETFs Capital”) for approximately \$137 million. The transaction is approximately 15% accretive to 2023 consensus earnings per share (“EPS”) estimates.

WisdomTree CEO Jonathan Steinberg said, “I am pleased that the WisdomTree team was able to deliver such a positive result to stockholders. This deal is not only accretive to EPS, but also expands operating margins by 530 basis points, cleans up our balance sheet and reduces volatility in our quarterly GAAP financial results.”

In 2018, WisdomTree assumed an obligation to pay ETFs Capital fixed payments of 9,500 ounces of gold per year in connection with the Company’s acquisition of the European exchange-traded commodity, currency and leveraged-and-inverse business of ETFs Capital. This obligation mirrored existing obligations of ETFs Capital to pay a subsidiary of the World Gold Council (“WGC”) two-thirds and Rodber Investments Limited (“RIL”) one-third of those contractual gold payments – in perpetuity to the WGC and through March 31, 2058 to RIL. The contractual gold payments expense was approximately \$17.1 million during the year ended December 31, 2022, and approximately \$4.5 million during the quarter ended March 31, 2023.

Under the terms of the transaction, Gold Bullion Holdings (Jersey) Limited, a subsidiary of the WGC, received approximately \$4.4 million in cash and non-voting preferred shares convertible into approximately 13.1 million shares of WisdomTree common stock. RIL, an entity controlled by Graham Tuckwell, who is also Chairman of ETFs Capital, received approximately \$45.6 million in cash.

The annual impact of the transaction on the Company’s financial results adds approximately \$18 million to operating income, expands WisdomTree’s operating margin by 530 basis points, yields a net income lift of more than \$13 million and is approximately 15% accretive to current 2023 consensus EPS estimates. Furthermore, the transaction extinguishes the Deferred Consideration – Gold Payments liability of approximately \$180 million reflected on the Company’s balance sheet at March 31, 2023.

For further information regarding the terms and conditions contained in the definitive transaction agreements among WisdomTree, the WGC, ETFs Capital and certain of their respective subsidiaries and affiliates, see WisdomTree’s Current Report on Form 8-K, which will be filed with the Securities and Exchange Commission (“SEC”) in connection with the transaction.
