Explanation of Responses:

- On January 25, 2026, the Compensation Committee of the Issuer's Board of Directors approved a grant of performance-based restricted stock units ("PRSUs") initially reported on a Form 4 filed January 27, 2026 and amended February 24, 2026 ("Prior Form 4"), with the target number of PRSUs determined based on the grant-date fair value calculated using a Monte Carlo valuation methodology. On February 23, 2026, the Compensation Committee approved a change in the methodology for determining PRSU target shares to one based on the Issuer's grant date closing stock price and, in connection with that change, approved a separate, additional grant of PRSUs to the Reporting Person equal to the difference between (i) the target number of PRSUs reported in the Prior Form 4 and (ii) the target number of PRSUs determined using the Issuer's closing stock price on January 25, 2026. This grant is intended to qualify for the Rule 16b-3 exemption under the Securities Exchange Act of 1934.
- Each performance-based restricted stock unit represents the right to receive, on the vesting date, one share of common stock for each unit that vests.
- These PRSUs are scheduled to vest on February 23, 2029. The target number of PRSUs is reported on this form. Between 0% and 200% of the target number of PRSUs may vest and the number of shares of the Issuer's common stock ("Common Stock") to be issued will be determined based on the total shareholder return ("TSR") of the Common Stock relative to the respective TSRs of the stocks of a peer group of companies, each measured over a 3-year period from the grant date. If the Reporting Person's employment is terminated under certain circumstances or a change of control occurs prior to the 3rd anniversary of the grant date, all or a portion of the PRSUs will vest and the number of shares of Common Stock to be issued will be determined at such time based on the respective TSRs of the Common Stock and the stock of the peer group, each measured from the grant date to the accelerated vesting date.
